A. Waddell,2012-11-08 This fantastic volume explores the mysterious origins of the Egyptian civilization looking at its relationship to ancient Samaria and subsequent history Egyptian Civilization Its Sumerian Origin and Real Chronology is highly recommended for those with an interest in ancient Egypt especially the historical development of theories and evidence relating thereto Laurence Austine Waddell 1899 1938 was a British Explorer professor of Tibetan and Indian army surgeon Other notable works by this author include Among the Himalayas The Birds of Sikkim 1893 and Some Ancient Indians Charms from the Tibetan 1895 Many vintage books such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author **Historical Dictionary of Ancient Israel** Niels Peter Lemche,2003-12-10 Of the many ancient civilizations we are aware of few are smaller than the ancient Kingdom of Israel Small both in geographical area and population it was barely noticed by the major civilizations of the time in Egypt Mesopotamia and elsewhere which either ignored or crushed it Yet several millennia later Israel is the civilization we remember most acutely which we know or think we know the most about and which has even been revised after a manner Alas what we know or think we know about Israel comes partly from the Old Testament and partly from fragmentary and sometimes distorted bits of historical evidence For these very reasons because Ancient Israel means so much to us and because we actually know so little for sure this Dictionary is particularly important It examines the usual sources in the Old Testament and surveys the findings of more recent archaeological research to help us determine just what happened and when a far from simple task It includes entries on most of the persons places and events which are generally considered and shows more broadly what the Kingdoms of Israel and Judah were like and what role they played in the ancient world but it also defines them as closely as possible according to the latest data While the results may differ from traditional views they are essential correctives **International Dictionary of Library Histories** David H. Stam,2001 This volume is a comprehensive collection of critical essays on The Taming of the Shrew and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Historical Dictionary of Ancient Egypt** M. L. Bierbrier,2008 The great pyramids of Giza Tutankhamun the Great Sphinx Cleopatra and Ramesses II the names and achievements of Ancient Egypt are legendary Situated along the Nile River the Ancient Egyptian civilization began around 3150 BC and lasted over three millennia until it was conquered by Rome in 31 BC The second edition of the
