Kanada - Westen mit Südalaska Karl-Wilhelm Berger,2009 *Western Canada* Ulysses Travel Guides,2004-03 This guidebook offers Descriptions of numerous attractions, star rated so you can spot the must sees at a glance. The best accommodations and restaurants in every price range. All there is to know about parks and historic sites as well as outdoor activities. More than 50 regional and city maps to help you customize your itinerary. Ecology & Wonder in the Canadian Rocky Mountain Parks World Heritage Site Robert W. Sandford,2010 Ecology and Wonder celebrates Western Canada's breathtaking landscape. The book makes several remarkable claims. The greatest cultural achievement in the mountain region of western Canada may be what has been preserved, not what has been developed. Protecting the spine of the Rocky Mountains will preserve crucial ecological functions. Because the process of ecosystem diminishment and species loss has been slowed, an ecological thermostat has been kept alive. This may well be an important defence against future impacts of climate change in the Canadian West. **Moon Vancouver & Canadian Rockies Road Trip** Carolyn B.
