## **Basavanna Vachanas Kannada:**

**Bakhtinian Explorations of Indian Culture** Lakshmi Bandlamudi, E. V. Ramakrishnan, 2018-02-11 This volume an important contribution to dialogic and Bakhtin studies shows the natural fit between Bakhtin's ideas and the pluralistic culture of India to a global academic audience. It is premised on the fact that long before principles of dialogism took shape in the Western world these ideas though not labelled as such were an integral part of intellectual histories in India. Bakhtin's ideas and intellectual traditions of India stand under the same banner of plurality, open endedness and diversity of languages and social speech types and therefore the affinity between the thinker and the culture seems natural. Rather than being a mechanical import of Bakhtin's ideas it is an occasion to reclaim, reactivate and reenergize inherent dialogicality in the Indian cultural, historical and philosophical histories. Bakhtin is not an incidental figure for he offers precise analytical tools to make sense of the incredibly complex differences at every level in the cultural life of India. Indian heterodoxy lends well to a Bakhtinian reading and analysis and the papers herein attest to this. The papers range from how ideas from Indo-European philology reached Bakhtin through a circuitous route to responses to Bakhtin's thought on the carnival from the philosophical perspectives of Abhinavagupta to a Bakhtinian reading of literary texts from India. The volume also includes an essay on translation as dialogue, an issue central to multilingual cultures and on inherent dialogicality in the long intellectual traditions in India.

**Medieval Indian Literature: Surveys and selections** Ayyappanpanikkar, 1997 This Volume Has Two Parts: Surveys Of All The Languages And Selections From Three Languages: Assamese, Bengali And Dogri. *Masti Masti* Venkatesha Iyengar, Ramachandra Sharma, 2019-08 Considered to be the father of the Kannada short story, Masti's direct narration and sympathetic understanding of human nature make his stories evergreen. U R Anantha Murthy describes this Sahitya Akademi Awardee as one who has a gentle and profound insight into what lasts in India and what elements inherent in human nature threaten it. The best in traditions of the East and the West have gone into the making of his liberal humanist philosophy.

**I Keep Vigil of Rudra**, 2010-09-08 One of the only collections of Vachana poetry in translation, a must read for all poetry lovers. Here I come a ferryman without a body To the great flowing river. If you pay the price Your mind That grasps and lets go I shall take you across. Vachana poetry in Kannada literature attained its zenith in the twelfth century. Passionate, intensely personal and ahead of their times, these free verse poems speak eloquently of the futility of formal learning, the vanity of wealth and the evils of social divisions. The vachanas stress on the worship of Shiva through love, labour and devotion as the only worthwhile life goal for the vachanakara, the vachana poet. This collection offers a selection of vachanas composed by a wide range of vachanakaras from different walks of life writing during that period. While some of these poets are well known even today, most have been forgotten. Translated fluidly and with great skill by H S Shivaprakash, *I Keep Vigil of Rudra* is not only an important addition to Vachana literature but also a must read for lovers of poetry everywhere.
