Investing in One Lesson Mark Skousen,2007-10-19 Why are the smartest most successful professionals so often failures when it comes to investing Can stock prices really be so illogical that even doctors and lawyers can t figure them out Ultimately is it possible for anyone to decipher the financial markets Fortunately the answer is yes In Investing In One Lesson investment guru Mark Skousen clearly and convincingly reveals the reasons for the seemingly perverse unpredictable nature of the stock market Drawing upon his decades of experience as an investment advisor writer and professor Dr Skousen explains in one spirited easy to follow lesson why stock prices fluctuate with such apparent irrationality

The Physician's Guide to Investing Robert M. Doroghazi,Dan Wright French,2007-11-03 I met Bob Doroghazi when he dropped the first draft of his manuscript of The Physician s Guide to Investing A Practical Approach to Building Wealth at my office I will have to admit I was a bit skeptical a physician writing a book on investments During that first meeting with Bob it became evident that he had been a successful

physician and a successful investor so I agreed to take a look at the book I was in for a pleasant surprise Bob's manuscript was easy to read and had specific advice useful to physicians interspersed with lots of practical tidbits for any investor Having written three college level finance and investment texts I was excited to be in on a project aimed at offering practical investment advice to a more general yet specialized audience I had high expectations for the book and am pleased to say that I believe Bob has delivered a book that every physician interested in building wealth and protecting assets should read Bob is a straight shooter he tells it like he sees it in his book Some doctors might be indignant on reading his statements such as Physicians sometimes have no idea of their limitations This type of arrogance and ego can result in investing disaster However if you do have these limitations and most professionals even college professors do then reading Bob's book will help you recognize situations in which they can lead to poor investment decisions *Learn How to Earn* Mark Brown, 2010-02-10 *Learn How To Earn* using the stock market's money is a self help motivational book packed with strategies and methods on how to trade the stock market for profitable gains It uniquely brings together wealth psychology money management and standard trading techniques to capture and stimulate the reader's interest in the subject of stock market trading and investing *Learn How To Earn* gives readers an opportunity to gain personal wealth using the stock market if they are willing to assume the risks This book should be of interest to various readers from all lifestyles and within all kinds of professions Therefore it will suit unemployed employed those who are seeking an opportunity to supplement their income anyone who is seeking financial freedom those who are pursuing personal wealth along with current traders and investors
