Becoming Kuan Yin The Evolution Of Compassion:

Becoming Kuan Yin Stephen Levine, 2013-09-01 In his long career as a poet Buddhist teacher spiritual advisor and writer Stephen Levine has changed our understanding of death and dying In *Becoming Kuan Yin* Levine's first new book in many years he turns to the legend of Kuan Yin the Bodhisattva venerated by East Asian Buddhists for her compassion In *Becoming Kuan Yin* Levine shares the tale of Miao Shan born centuries ago to a cruel king who wanted her to marry a wealthy but uncaring man This is the story of how Miao Shan refused to follow the path her father had in mind and instead became Kuan Yin the first acknowledged female Buddha who watches over the dying and those who work with them Levine weaves together story and practice and helps readers discover their own infinite capacity for mercy and compassion under difficult circumstances This book will have resonance for Kuan Yin's millions of followers *Pandemic Reflections* Geoffrey

The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages Anubis lives up to his ancient title as the Opener of the Way and Thoth as the Architect of Higher Learning.
