Queer Opera Andrew Sutherland, 2023-03-27 In *Queer Opera* Andrew Sutherland argues that operas often reflect characteristics of the society and epistime in which they are written but that they also do much more than that operas have agency LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space He further argues that for several centuries opera houses have been safe havens for queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera's well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance

Cuba Confidential Ann Louise Bardach, 2007-12-18 From America's number one Cuba reporter, PEN award-winning investigative journalist Ann Louise Bardach comes the big book on Cuba we've all been waiting for. An incisive and spirited portrait of the twentieth century's wildest political survivor and his fiefdom, *Cuba Confidential* is the gripping story of the shattered families and warring personalities that lie at the heart of the forty-three year standoff between Miami and Havana. Famous to many Americans for her cover stories and media appearances, Ann Louise Bardach has been covering Cuba for a decade. She's talked to the crooks, spooks, and politicians who have made history, and to their hired assassins and confidants. Based on exclusive interviews with Fidel Castro, his sister Juanita, his former brother-in-law Rafael Díaz Balart, the family of Elián González, the friends and family of the legendary American fugitive Robert Vesco, the intrepid terrorist Luis Posada Carriles, and the inner circles of Jeb Bush and the late exile leader Jorge Mas Canosa, *Cuba Confidential* exposes the hardball, take-no-prisoners tactics of the Cuban exile leadership and its manipulation and exploitation by ten American presidents. Bardach homes in on Fidel Castro and his cronies, taking us closer than we've ever

been and on the militant exiles who have devoted their lives with CIA connivance to trying to eliminate him From Calle Ocho to Juan Miguel González's kitchen table in Cardenas from Guantanamo Bay to Union City to Washington D C Ann Louise Bardach serves up an unforgettable portrait of Cuba and its exiles *The Cambridge Companion to Latina/o American Literature* John Morán González,2016-06-13 This Companion presents key texts authors themes and contexts of Latina/o literature and highlights its increasing significance in world literature **Depp** Christopher Heard,2001-09 Christopher Heard host of TV's Reel to Real takes us on a turbulent ride through Johnny Depp's leap to stardom exploring each of his film roles in detail and placing them in the context of his controversial relationships with stars such as Winona Ryder and Kate Moss Scrutinising Johnny's shifts as media darling and tabloid target and sifting the truth from the trash Depp is the definitive biography of one of this generation's most important most impassioned and most independent stars Illustrated with 15 b/w photos and 16 page full colour section *Essays of Elia, and Eliana.
