Taking their cue from the polymorphous relationship between word and image the essays of this book explore how different media translate the world of phenomena into aesthetic intellectual or sensual experience They embrace the media of poetry fiction drama engraving painting photography film and advertising posters ranging from the early modern to the postmodern periods At the heart of the volume lie essays on works that characteristically perform intriguing interactions between the verbal and visual modes They discuss the manifold ways in which artists as different as William Blake or Gertrude Stein Diane Arbus or Stanley Kubrick heighten the tension between the linguistic and the seen Taken both individually and collectively this volume's contributions illuminate the problematics of how readers and spectators lookers transform verbal and visual representation into worlds of seeming

The Sparrow Mary Doria Russell, 2010-02-23

The Sparrow is one of my favourite science fiction novels and it destroyed me in the best way when I read it It is so beautifully written and the construction of the narrative is masterful Emma Newman author of Planetfall THE ACCLAIMED GENRE DEFINING WINNER OF THE 1998 ARTHUR C CLARKE AWARD Set in the 21st century a number of decades from now The Sparrow is the story of a charismatic Jesuit priest and talented linguist Emilio Sandoz who in response to a remarkable radio signal from the depths

of space leads a scientific mission to make first contact with an extra terrestrial culture In the true tradition of Jesuit adventurers before him Sandoz and his companions are prepared to endure isolation suffering even death but nothing can prepare them for the civilisation they encounter Or for the tragic misunderstanding that brings the mission to a devastating end Once considered a living saint Sandoz returns alone to Earth horrifically maimed both physically and spiritually the mission s sole survivor only to be blamed for the mission s failure and accused of heinous crimes Written in clean effortless prose and peopled with memorable characters who never lose their humanity or humour The Sparrow is a powerful haunting fiction a tragic but ultimately triumphant novel about the nature of faith of love and what it means to be human and widely considered to be a classic of the genre
