a constant yet little considered presence in film. Indeed it may come as a surprise to learn that animals were a central inspiration to the development of moving pictures themselves. In *Animals in Film*, Jonathan Burt points out that the mobility of animals presented technical and conceptual challenges to early film makers, the solutions of which were an important factor in advancing photographic technology, accelerating the speed of both film and camera. The early filming of animals also marked one of the most significant and far reaching changes in the history of animal representation and has largely determined the way animals have been visualized in the twentieth century. Burt looks at the extraordinary relationship between animals, cinema and photography, including the pioneering work of Eadweard Muybridge and Jules Etienne Marey, and the technological developments and challenges posed by the animal as a specific kind of moving object. *Animals in Film* is a shrewd account of the politics of animals in cinema, of how movies and video have developed as weapons for animal rights activists, and of the roles that animals have played in film from the avant garde to Hollywood.

Zippy the Pinhead Bill Griffith, 2013-07-05. Comprising a full two and a half years worth of dailies and full color Sundays, *The Dingburg Diaries* is the third Zippy book featuring tales of Dingburg, the City Inhabited Entirely by Pinheads. Zippy's home town. There's even a long series of Historical Dingburg strips chronicling the pinhead population through the years from 1840 when Dingburg's Town Fool accidentally invented disco to 1958 when Dingburg Beatniks flourished in the town's Bohemian neighborhood. Like Yowlman, God also has his own chapter and verse. In the guise of a clip art author, ity figure he dispenses unwanted advice and conditional love upon the citizens of Dingburg. His tendency to cross dress reaches new heights when he appears in a performance of Swine Lake wearing a tutu. Sacrilegious yet sensitive. There are large chunks of Mr. The Toad, Zerbina Little Zippy, and the rest of Griffith's cast of characters throughout this expanded collection.
