Corporate Governance Mechanisms and Firm

Performance Shveta Singh, Monika Singla, 2022-05-12 This book begins by analysing the various corporate governance mechanisms explored in the extant literature and determining their effectiveness in enhancing the firm value using multivariate analysis The findings are of global relevance as the corporate governance regulations of most countries focus on independent directors as the mainstay of good governance The empirical evidence from the first objective of this study corroborates the claim that independent directors do not strengthen the firms governance quality The book is one of the few works to have analysed the possible reasons behind the ineffectiveness of the independent directors Also in view of the famous concept of the bundle of governance mechanisms it might be possible that the independent directors strengthen the firms governance quality indirectly by strengthening other governance mechanisms This aspect too has little precedence This study adopts a novel moderation and mediation approach to analyse the monitoring behaviour of independent directors in relation to other governance mechanisms The work is a must read for corporate players as well as researchers and scholars studying this discipline

Proceedings of the International Conference on Information Engineering, Management and Security 2015 Vignesh Ramakrishnan, Prasanth Venugopal, Tuhin Mukherjee, 2015-08-13 ICIEMS 2015 is the conference aim is to provide a platform for researchers engineers academicians as well as industrial professionals from all over the world to present their research results and development activities in Engineering Technology Industrial Engineering Application Level Security and Management Science This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face to establish business or research relations and to find global partners for future collaboration

Equity Markets in India Shveta Singh, P.K. Jain, Surendra Singh Yadav, 2016-05-06 The book presents a comprehensive view of the Indian equity markets over the past two decades 1994 2014 Equity markets constitute the most important segment of stock exchanges in fact the status of equity returns is by and large considered as a barometer of the state of a country's economy Returns earned by the equity investors on their funds invested in equity markets have become a decisive factor in the growth of such markets In this context the book discusses all the major aspects of equity returns and also conducts a disaggregative analysis based on underlying factors like age size ownership structure industry affiliation sector among others to explain the factors affecting returns and risk While on the one hand the study ascertains the market rates of return earned on equities from the investors perspective by including both the capital gains and the dividend income it also shows how to compute the rates of returns on equities from the corporate perspective that is rate of return earned on equity funds It further assesses the required expected rate of return and examines the volatility in stock returns with a focus on its behaviour during the period of the study It deepens investors understanding of equity investment helping them to make more informed investments While of interest to the investor community this book also contributes significantly to the

existing literature on market returns and is a valuable reference resource for academics researchers and market participants financial institutions and other intermediaries regulators and policy makers *Financial Derivatives: Text & Cases* Prakash Yaragol, *Financial Derivatives Text and Cases* has been written primarily for the students of MBA MCom MFC MIB and so on who wish to study the subject as a part of their specialization in the area of finance It will also be useful to finance professionals It is written in a very simple language and presented in a neat style covering the entire spectrum ranging from basics to advanced aspects of financial derivatives The focus is on recent developments in the area The book sets the direction of every chapter by laying down course outcomes at the beginning of each chapter Judicially supplementing and substantiating the main text are figures and charts tables numerical illustrations different types of questions such as fill in the blanks true false short answer questions and essay type questions Every chapter ends with a brief summary of the entire text of the chapter which helps the reader to grasp its important aspects Academic Foundation`S Bulletin On Money, Banking And Finance Volume -57 Analysis, Reports, Policy Documents Editor : Sona Kapila,2004 *Emerging Trends in Science, Engineering and Technology* S Sathiyamoorthy,B. Elizabeth Caroline,J Gnana Jayanthi,2012-12-14 The present book is based on the research papers presented in the International Conference on Emerging Trends in Science Engineering and Technology 2012 held at Tiruchirapalli India The papers presented bridges the gap between science engineering and technology This book covers a variety of topics including mechanical production aeronautical material science energy civil and environmental energy scientific management etc The prime objective of the book is to fully integrate the scientific contributions from academicians industrialists and research scholars **Academic Foundation`s Bulletin on Money, Banking and Finance Volume -61 Analysis, Reports, Policy Documents** Editor : Sona Kapila,2005 **Academic Foundation`S Bulletin On Money, Banking And Finance Volume -41 Analysis, Reports, Policy Documents** Editor : Sona Kapila,2003 Academic Foundation`s Bulletin on Money, Banking and Finance Volume -64 Analysis, Reports, Policy Documents Editor : Sona Kapila,2005 Academic Foundation`S Bulletin On Money, Banking And Finance Volume -39 Analysis, Reports, Policy Documents Editor : Sona Kapila,2003 Semi-Strong Form Efficiency of Indian Stock Market in Post-Reform Period Dr Madhuchhanda Lahiri,2021-06-26 The Efficient Market Hypothesis is an elegant edifice that provides a basis on which the efficiency tests of a stock market are performed at three distinct levels weak form semi strong form and strong form This magnificent edifice of EMH rests on the Random Walk Theory which contends that all price changes reflect a random departure from previous prices The weak form of the hypothesis states that prices efficiently reflect all information contained in the past series of stock prices whereas the semi strong form efficiency contends that security prices factor in publicly available information in the market and that the price changes to new equilibrium levels are reflections of that information The book checks the weak form and semi strong form efficiency of the Indian stock market by examining the behaviour of the stock prices in the Indian stock market after the introduction of the various financial sector reforms using

different methodologies By using NSE data over the period 1998 2005 the period which witnessed some major crises scams intense capital market activities and introduction of many new financial instruments the study examines the information contents of historical stock price data quarterly earnings announcements and stock splits The book also checks for the presence of the Day of the Week Effect in the Indian stock market and enquires whether the introduction of the various instruments and policy changes have made the Indian stock market weak form and semi strong form efficient i e whether the efficiency of the stock market has been restored in the post reforms period compared to the situation in the pre reform period
