Language Contact in Nepal Bhim Lal Gautam, 2021-03-27 This book examines language contact and shift in Nepal a multilingual context where language attitudes and policies often reflect the complex socio cultural and socio political relationship between minority majority and endangered languages and peoples Presenting the results of a 15 year study and making use of both quantitative and qualitative data the author presents evidence relating to speakers opinions and perceptions of mother tongues including English Hindi Nepali Sherpa Dotyali Jumli and Tharu This book explores an under studied part of the world and the findings will be relevant to scholars working in other multilingual contexts in fields including language policy and planning language contact and change and language attitudes and ideologies Nepal, 1992-93 George McDonald, 1991-10

Nepal - Culture Smart! Culture Smart!, Tessa Feller, Alan Mercel-Sanca, 2021-03-04 Don't just see the sights get to know the people Nestling in the foothills of the Himalayas Nepal is a land of contrasts and incongruities not least in the variety of its cultural ethnic and religious weave The Nepalese attitude to life is essentially religious Hindu and Buddhist values predominate and help to maintain social harmony despite the divisions between rich and poor urban and rural highlands and lowlands Culture Smart Nepal sets out to explain the complexities of Nepalese life from home to business to the marketplace It tells you what to expect and provides insights that will help you to go beyond friendly smiles and turn your visit into an enlightening and rewarding experience Have a richer and more meaningful experience abroad through a better understanding of the local culture Chapters on history values attitudes and traditions will help you to better understand your hosts while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas

Historical Dictionary of Nepal Nanda R. Shrestha, Keshav Bhattarai, 2017-02-08 Nepal is a living example of contrasts and contradictions It is a country that was born in medieval times grew up in the 16th century and now finds itself engulfed in the high tech gadgets and material marvels of the 21st century Nepal has its share of problem which include inadequate economic development and social infrastructure poverty and corruption plus worsening pollution but now it finally has relative peace and quiet after a hasty Maoist uprising Indeed it has passed through several democratic elections and finally seems to be getting on the right track This second edition of Historical Dictionary of Nepal contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nepal
