Designers Catharine Slade-Brooking, 2016-01-18 Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world including a diverse range of industries: digital media, fashion, advertising, product design, packaging, retail and more. *Brand Identity* David Cox, 2021-01-20 What is the first image that comes to mind when you think of your favorite brand? Do you want your brand to have a standing chance to be positioned at par with your competitors or even exceed them? Has it ever crossed your mind what big brands like Apple and Coca Cola did and have been doing to be where they are now? Are you still uncertain if your brand is even strong enough to convey your image and build a presence within the market? The problem is that businesses are saturated making the point of entry harder to penetrate because of the stringent competition. In fact, 59% of consumers prefer to purchase new products from brands they know due to their familiarity with their existing products. Despite this, there is a way in whether you are just starting your business or you want to revamp your existing brand. And it all starts with one thing in mind. In *Your Step by Step Guide to Brand Building*, you will discover The 1 mistake marketers make when it comes to building their brand's identity. The 9 pillars of brand building you need to know in order for your brand to succeed. A breakdown of how you can build a brand with a strong presence even if your current one is flopping. The how to of competitive analysis with a tried and tested framework template. How altering this one aspect of your logo will affect how consumers perceive your brand. The secret to connecting your consumers to your brand, boosting their loyalty towards your products. The crucial steps you need to take after building your brand to maintain status. Bonus Case studies on big brands, what they are doing right and how they got past the hurdles that blocked their path. And much more. By establishing a strong brand, you will have the most valuable asset your business can possess. In 2019, Coca Cola's brand value reached a whopping 80.83 billion dollars and it was first established back in 1886. That's the power good branding will grant you. When you have an established name, the possibilities and opportunities are limitless, yet it can only become a reality if you are equipped with the right tools and knowledge. Stop testing strategies with your eyes closed; implement the ones that are known to work for you rather than against you. If you want to discover how you can build a strong brand that will profit your business tenfold of what it is now, then scroll up and click the Add to Cart button. *Brand Identity Essentials, Revised and Expanded* Kevin Budelmann, Yang Kim, 2019-04-16 *Brand Identity Essentials, Revised and Expanded* outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles.
