Desire Love Stories In Western Culture

Faye Hammill

Desire Love Stories In Western Culture:

Desire Catherine Belsey, 1994-12-05 In the light of poststructuralist theory and with reference to the work of Lacan and Derrida in particular Catherine Belsey argues that fiction including poetry drama and film is paradoxically the most serious location of writing about desire in Western culture Beginning with the celebration of true love in contemporary popular romance and the reluctant scepticism of postmodern novels she goes on to explore past representation of passion by Chretien de Troyes Malory Spenser Donne Keats Edgar Allan Poe Tennyson and Bram Stoker Belsey also discusses the role of desire in the utopian writings of Plato More and William Morris as well as its treatment by a range of speculative feminists from Charlotte Perkins Gilman to Marge Piercy *The Cambridge History of Literary Criticism: Volume 9, Twentieth-Century Historical, Philosophical and Psychological Perspectives* George Alexander Kennedy, Christa Knellwolf, 1989 This ninth volume in The Cambridge History of Literary Criticism presents a wide ranging survey of developments in literary criticism and theory during the last century Drawing on the combined expertise of a large team of specialist scholars it offers an authoritative account of the various movements of thought that have made the late twentieth century such a richly productive period in the history of criticism The aim has been to cover developments which have had greatest impact on the academic study of literature along with background chapters that place those movements in a broader intellectual national and socio cultural perspective In comparison with Volumes Seven and Eight also devoted to twentieth century developments there is marked emphasis on the rethinking of historical and philosophical approaches which have emerged especially during the past two decades as among the most challenging areas of debate »**The Power of Love**« Judith Coffey, 2014-03-15 Ein Mann eine Frau eine Liebe die alle Hindernisse berdauert Diese Geschichte wird seit Jahrhunderten immer wieder erzählt Judith Coffey erarbeitet eine Genealogie dieser modernen Liebesgeschichte anhand von theoretisch fundierten und zugleich textnahen Analysen viktorianischer Romane Sie zeigt wie die Romane Liebe als revolutionäre Kraft entwerfen während sie gleichzeitig heteronormative Geschlechterverhältnisse stabilisieren und die Vorherrschaft des Bürgertums untermauern So wird eine kritische Perspektive auf die gesellschaftlichen Funktionen der Liebesgeschichte aber auch auf das Gefühl der Liebe selbst eröffnet *Metzler Lexikon Literatur- und Kulturtheorie* Ansgar Nünning, 2017-12-18 Die Kunst der gelebten Zeit Martin Middeke, 2004 Das Konzept der Gelebten Zeit ist der kulturellen Anthropologie und insbesondere der phänomenologischen Psychopathologie Eugene Minkowskis entlehnt Der Begriff impliziert dass menschliches Bewusstsein die Zeit in verschiedenen Dimensionen zugleich erfährt Die vorliegende Studie zeigt dass solch ein unproblematisch empfundener Synchronismus im englischen Roman des ausgehenden 19. Jahrhunderts nur noch als fernes anthropologisches Desiderat erscheint Die gelebte Zeit avanciert vielmehr zum zentralen inhaltlichen wie strukturellen Problem dieser Romane Es wird von vier Dimensionen der gelebten Zeit ausgegangen Zeitlichkeit Thermodynamische Zeit Soziale Zeit Subjektive Zeit Mythische Zeit Diese werden in ihren philosophischen Wurzeln erläutert wobei insbesondere der philosophische Diskurs

des ausgehenden 19. Jahrhunderts: Darwin, Schopenhauer, Nietzsche, Freud in den Blick genommen wird. In einem zweiten entscheidenden theoretischen Schritt argumentiert die Studie, dass die behandelten Romane zu Zeitromanen werden. Die Zeit ist in ihnen nicht nur ein allen Erzähltexten inhärentes Strukturcharakteristikum, sondern wird über dies hinaus selbst zum Thema der Romane. Exemplarische Einzelanalysen weisen eine fiktionale Kon- und Refigurierung Percival von Zeiterfahrung an Paters, Marius, the Epicurean, Wildes, The Picture of Dorian Gray, e Hardys, Jude the Obscure, Stokers, Dracula, Conrads, Lord Jim und Wells' The Time Machine nach. Indem sie die subjektive Zeiterfahrung und das Lebensgefühl des Protagonisten in den Vordergrund rücken, werden die Romane des ausgehenden 19. Jahrhunderts zu Vorbereitern einer modernen Ästhetik der Differenz.

Erzähltextanalyse und Gender Studies Vera Nünning, Ansgar Nünning, 2017-01-23. Literatur aus dem geschlechterspezifischen Blickwinkel interpretieren. Welchen Einfluss hat der Gender Aspekt beim Verfassen eines Erzähltextes? Die wichtigsten Methoden und Begriffe der genderorientierten Erzähltheorie stehen im Mittelpunkt des Bandes. Er leitet dazu an Erzähltexte geschlechterspezifisch zu analysieren und stellt den Zusammenhang her zwischen narratologischen Gesichtspunkten und den soziokulturellen Kategorien sex, gender und sexuality.

Bündnis und Begehren Andreas Krass, Alexandra Tischel, 2002.

A Dictionary of Film Studies Annette Kuhn, Guy Westwell, 2020-04-28. A Dictionary of Film Studies covers all aspects of its discipline as it is currently taught at undergraduate level. Offering exhaustive and authoritative coverage, this A-Z is written by experts in the field and covers terms, concepts, debates and movements in film theory and criticism, national, international and transnational cinemas, film history, movements and genres, film industry organizations and practices and key technical terms and concepts. Since its first publication in 2012, the dictionary has been updated to incorporate over 40 new entries, including computer games and film disability, ecocinema, identity, portmanteau film, Practice as Research and film in Vietnam. Moreover, numerous revisions have been made to existing entries to account for developments in the discipline and changes to film institutions more generally. Indices of films and filmmakers mentioned in the text are included for easy access to relevant entries. The dictionary also has 13 feature articles on popular topics and terms, revised and informative bibliographies for most entries and more than 100 web links to supplement the text.

Tis Pity She's A Whore Lisa Hopkins, 2015-04-10. John Ford's tragedy Tis Pity She's A Whore was first performed between 1629 and 1633, and since then its themes of incest, love versus duty and forbidden passion have made it a widely studied and performed, if controversial, play. This guide offers students an introduction to its critical and performance history, including TV and film adaptations. It includes a keynote chapter outlining major areas of current research on the play and four new critical essays. Finally, a guide to critical, web-based and production-related resources and an annotated bibliography provide a basis for further individual research.

Canadian Literature Faye Hammill, 2007-09-13. An important critical study of Canadian literature, placing internationally successful anglophone Canadian authors in the context of their national literary history. While the focus of the book is on twentieth-century and contemporary writing, it also charts the historical development of

Canadian literature and discusses important eighteenth and nineteenth century authors The chapters focus on four central topics in Canadian culture Ethnicity Race Colonisation Wildernesses Cities Regions Desire and Histories and Stories Each chapter combines case studies of five key texts with a broad discussion of concepts and approaches including postcolonial and postmodern reading strategies and theories of space place and desire Authors chosen for close analysis include Margaret Atwood Michael Ondaatje Alice Munro Leonard Cohen Thomas King and Carol Shields

Critical Dictionary of Film and Television Theory Roberta Pearson, Philip Simpson, 2005-12-08 The Critical Dictionary of Film and Television Theory clearly and accessibly explains the major theoretical approaches now deployed in the study of the moving image as well as defining key theoretical terms This dictionary provides readers with the conceptual apparatus to understand the often daunting language and terminology of screen studies Entries include audience Homi K Bhabha black cinema the body children and media commodification cop shows deep focus Umberto Eco the gaze Donna Haraway bell hooks infotainment master narrative medical dramas morpheme myth panopticon pastiche pleasure real time social realism sponsorship sport on television subliminal third cinema virtual reality Consultant Editors David Black USA William Urricchio University of Utrecht The Netherlands Gill Branston Cardiff University UK Elayne Rapping USA

Re-Humanising Shakespeare Andrew Mousley, 2015-03-03 Revised throughout the book includes a new introduction which focuses attention on what is specific to literature's treatment of the human as epitomised by Shakespeare a section drawing on new work on literary genres as different forms of engagement

Studying English Literature in Context Paul Poplawski, 2022-10-13 Ranging from early medieval times to the present this diverse collection explores the myriad ways in which literary texts are informed by their historical contexts The thirty one chapters draw on varied themes and perspectives to present stimulating new readings of both canonical and non canonical texts and authors Written in a lively and engaging style by an international team of experts these specially commissioned essays collectively represent an incisive contribution to literary studies they will appeal to scholars teachers and graduate and undergraduate students The book is designed to complement Paul Poplawski's previous volume *English Literature in Context* and incorporates additional study elements designed specifically with undergraduates in mind With an extensive chronology a glossary of critical terms and a study guide suggesting how students might learn from the essays in their own writing practices this volume provides a rich and flexible resource for teaching and learning

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation

in contemporary plays Special emphasis is put on narratives of love's compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned The Routledge Companion to Postmodernism Stuart Sim, 2013-06-17 The Routledge Companion to Postmodernism combines a series of fourteen in depth background chapters with a body of A Z entries to create an authoritative yet readable guide to the complex world of postmodernism

Trans/Forming Utopia - Volume II Elizabeth Russell, 2009 Is the utopian project dead Is it possible to imagine a utopian society or a utopian world in the aftermath of the collapse of ideologies This book contains eighteen essays which are the result of the 7th International Conference of Utopian Studies held in Spain in 2006 either debating the subject or suggesting alternative readings to some of the theoretical ideas raised within utopian studies This volume focuses on the importance of narratives in utopian literature They define the world we live in and the world we wish to live in Through narratives of confession and indeed through silence itself the unconscious emerges and desire is articulated The articles in this volume question and challenge the power of the word the stability of meaning and the relationship between thought and action in the construction of utopia and dystopia They also point to the various literary frameworks of utopian and dystopian narratives thus connecting stories from the past present and future of both real and imaginary and communities **The Literature of Love** Mary Ward, 2009-05-14 Critical introductions to a range of literary topics and genres The Literature of Love is designed to introduce students to one of the central themes in literature Focusing first on different types and aspects of love physical emotional spiritual it then offers a chronological coverage aiming to illustrate ways in which attitudes to the representation of love in literature have evolved from Chaucer to the present time Other sections of the book examine particular genres such as the love sonnet the love letter and romantic fiction and the differing reception of this literature over time is also considered The book includes extracts from a range of authors The Older Woman in Recent Fiction Zoe Brennan, 2014-12-09 This critical study explores late twentieth century novels by women writers including Doris Lessing May Sarton and Barbara Pym that feature female protagonists over the age of sixty These novels discourses on aging contrast with those largely pejorative ones that dominate Western society They break the silence that normally surrounds the lives of the aged and this book investigates how older female protagonists are represented in relation to areas such as sexuality dependence and everyday life Beginning with an investigation of popular opinions about aging and a survey of hypotheses from disciplines including gerontology psychology and feminism the text reviews literary critical attitudes toward fictions of aging analyzes representations of physically dependent characters whose anger over their failing bodies is often eased by relationships with their female friends discusses how paradigms of female sexuality exclude the possibility of older women

being sexually desirable examines characters that live a contented life finding a more polemical side to them than is noted in more conventional literary critiques and analyzes the aged sleuth in classical detective fiction Shakespeare and Sexuality
Catherine M. S. Alexander, Stanley Wells, 2001-09-20 This book draws together ten important essays which explore the significance of sexuality in Shakespeare's work **Colonizer and Colonized** , 2021-11-08 Over the last two decades the experiences of colonization and decolonization once safely relegated to the margins of what occupied students of history and literature have shifted into the latter's center of attention in the West as elsewhere This attention does not restrict itself to the historical dimension of colonization and decolonization but also focuses upon their impact upon the present for both colonizers and colonized The nearly fifty essays here gathered examine how literature now and in the past keeps and has kept alive the experiences both individual and collective of colonization and decolonization The contributors to this volume hail from the four corners of the earth East and West North and South The authors discussed range from international luminaries past and present such as Aphra Behn Racine Blaise Cendrars Salman Rushdie Graham Greene Derek Walcott Guimar es Rosa J M Coetzee Andr Brink and Assia Djebar to less known but certainly not lesser authors like Gioconda Belli Ren Depestre Amadou Kon Elisa Chimenti Sapho Arthur Nortje Es kia Mphahlele Mark Behr Viktor Paskov Evelyn Wilwert and Le la Houari Issues addressed include the role of travel writing in forging images of foreign lands for domestic consumption the reception and translation of Western classics in the East the impact of contemporary Chinese cinema upon both native and Western audiences and the use of Western generic novel conventions in modern Egyptian literature
