## **Dinamalar Tamil News Paper:**

*The News Event* Francis Cody, 2023-04-05 In the hypermediated world of Tamil Nadu Francis Cody studies how news events are made Not merely the act of representing events with words or images a news event is the reciprocal relationship between the events being reported in the news and the event of the news coverage itself In *The News Event* Francis Cody focuses on how imaginaries of popular sovereignty have been remade through the production and experience of such events Political sovereignty is thoroughly mediated by the production of news and subjects invested in the idea of democracy are remarkably reflexive about the role of publicly circulating images and texts in the very constitution of their subjectivity The law comes to stand as both a limit and positive condition in this process of event making where acts of legal and extralegal repression of publication can also become the stuff of news about news makers When the subjects of news inhabit multiple participant roles in the unfolding of public events when the very technologies of recording and circulating events themselves become news the act of representing a political event becomes difficult to disentangle from that of participating in it This Cody argues is the crisis of contemporary news making the news can no longer claim exteriority to the world on which it reports

*History Of Journalists Organisations In Madras* R. Nurullah,2021-12-03

The Press in India had been a powerful force since its inception It not only influenced the minds of the people but has also remained a guiding star in the lives of succeeding generations During the Colonial era journals and newspapers started and managed by the nationalist Indians rattled British authorities and forced them to introduce stringent measures against the Press particularly against the Vernacular Press Many a time journals and newspapers were to face proscription from the imperial authorities as fiery articles they feared would push the nation into great chaos Such was the power of the Press Since no journalist organisation in Chennai had all the documents related to the study I made use of websites of different organisations newspapers and magazines However a large chunk of information was culled out from the documents preserved in the office of the Madras Union of Journalists I profusely thank its office bearers for permitting me the access But for their help the task of documentation and study would have been more strenuous As indicated elsewhere in this book the splits in journalist s unions has split their office records also Hence a yawning gap is noticed in the history of different unions in Chennai Some organisations have only limited records in the form of their constitution occasional newsletters or handouts

Issues in Higher Learning Institutions G. Palanithurai,2017-01-01

Educational institutions in general and more particularly the higher learning institutions are in deep crises Everyone expects that reform has to be initiated only by the centre and state governments To address the problems a new policy framework is evolved But it has not crossed the tables of the critiques Political executive and policy community have to play a crucial role in reforming this sector There is no second opinion on the above argument But lot of initiatives can be taken by the conscious teachers who are serving in higher learning institutions In the context of commercialization of education teachers have a role to play at the ground Against this background lots of initiatives have been taken at the ground by us as teachers They are being captured problems of the institutions and students are analyzed at a micro level They are also being captured in this work All the chapters in this book appeared in different journal as articles in different periods All are brought out here under one theme
