story without being a boring diary It it is neither a miracle diet program nor a list of recipes You can find them everywhere you will follow them and you will give up after a while Instead it contains a lot of practical advice from my personal life and experience that guided me toward a new life since I decided to change something Because it is not only about losing weight for good it is about a profound transformation of our lives It is about why we are fat and finding the right motivation to change this the way we eat why and how we exercise what else to change and why everything explained in a very accessible style My book is not only for adult persons I would be happy if my book will help parents with oversized children or children themselves reading this book Childhood is the foundation of our lives and children needs our help and guidance for have a happy and healthy physical and mental life from the very beginning Because it is easier and better to correct something earlier but prevention is the best Reading the book is not the end of our relationship On the last page of the book you will have my contact info and we can keep in touch Being a member of our community can be helpful and supporting Dumitru Balmez

revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter s powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter s love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High Street was lined with homes of these Sea Captains Peter s awakening had given him new eyes and new highly evolved senses Peter was to have powerful past life experiences with his Mystery Woman guide named Layne Layne was a mystic who would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet Peter was to share the secrets that were revealed to him in his writings [The Life Fortune of Vincent Van Gogh](#) Deepak Gupta,2024-11-04 Vincent Van Gogh once wrote when his paintings weren t selling I cannot help it that my paintings do not sell The time will come when people will see that they are worth more than the price of the paint I wish they would take me as I am Vincent Van Gogh Jean Paul Sartre voiced if victory is told in detail one can no longer distinguish it from a defeat What we all want from life That s the question we should ask ourselves every day as when we earn all the wealth and prosperity of this world then we try focusing on our soul satisfaction but how ravishing it would be if we felt peaceful even in the devastating storm That even if everything is getting apart and broken around you but a deep solitude is having a permanent home in your soul and you are so lost that you have no other desires and greed to make you feel satisfied Vincent William Van Gogh a Dutch Post Impressionist Painter is the most famous and influential figure in the history of modern art but inside he was just a broken artist combating everything in agony so what made him go for so long Have you ever thought about whether destiny really exists or not Everything is uncertain then what is fixed What truly made him Vincent Van Gogh even despite everything that was against him he created his world s best work even with nothing and we are still complaining because we don t have perfect resources for our work What made him genius What fortune he created even with nothing That s astounding and loving to know Our research was on Vincent Van Gogh because when everyone is blaming they have less resources Vincent carved his fortune with nothing and what he weaved in his heart is a matter of secret to be opened to the entire world and that s a proud moment because if he could accomplish perfection with nothing then why we can t even with something Time is an illusion as it makes you realise you have more and you have it but you don t have it until you claim it by utilizing it well It s damn true and practical that everything is out of control except your soul So if everything around is a mess and you are

still at tranquillity then you are with your soul Your profession is not what brings home your weekly pay check your profession is What you re put here on earth to do with such passion and such intensity that it becomes spiritual in calling Vincent Van Gogh
