Tucker, 2014-06-24

Sometimes you can't change, and sometimes you just don't want to. Read Ben's side of the Ten Tiny Breaths story in this romantic coming-of-age novel by the beloved top-selling indie author praised for her likeable characters, steamy liaisons, and surprising plot twists. Kirkus Reviews: Purple-haired, sharp-tongued Reese MacKay knows all about making the wrong choice; she's made plenty of them in her twenty-odd years. So when her impulsive, short-lived marriage ends in heartbreak, she decides it's time for a change. She moves to Miami with the intention of hitting reset on her irresponsible life, and she does quite well, aside from an epically humiliating one-night stand in Cancun with a hot blond bouncer named Ben. Thank God she can get on a plane and leave that mistake behind her. Football scholarship and frat parties with hot chicks: Part of charmer Ben Morris's plan. Blown knee that kills any hope of a professional football career: So, not part of the plan. Luckily, Ben has brains to go with his knockout looks and magnetism. After three long years of balancing law school with his job as a bouncer at Penny's Palace, he's ready to lead a more mature life until his first day of work when he finds himself in the office of that crazy hot chick he met in Cancun. The one he hasn't stopped thinking about. If Ben truly were a smart guy, he'd stay clear of Reese. She's the boss's stepdaughter, and it's been made very clear that office romances are grounds for dismissal. Plus, rumor has it she's trouble. The only problem is he likes trouble, especially when it's so good-looking. **Five Ways to Forgiveness** Ursula K. Le Guin, 2024-03-07

Set in the same universe as *The Left Hand of Darkness* and *The Dispossessed*, these five linked stories follow far-future human colonies living in the distant solar system. Here is the complete suite of five linked stories from Ursula K. Le Guin's acclaimed Hainish series, which tells the history of the Ekumen, the galactic confederation of human colonies founded by the planet Hain. First published as *Four Ways to Forgiveness* and now joined by a fifth story, the tales focus on the twin planets Werel and Yeowe, two worlds whose peoples long known as owners and assets together face an uncertain future after civil war and revolution. A retired science teacher must make peace with her new neighbor, a disgraced revolutionary leader. A female official from the Ekumen arrives to survey the situation on Werel and struggles against its rigidly patriarchal culture. The coming-of-age of Havzhiva, an Ekumen ambassador to Yeowe, is Le Guin's most sustained description of the Ur-planet Hain. Rakam, born an asset on Werel, must twice escape from slavery to freedom. And a

charismatic Hainish embassy worker who appears in two of the four original stories returns for a tale of his own As good as any contemporary at creating worlds imaginary or our own TIME Magazine Born After Angelika Bammer, 2019-06-27 A 2020 Prose Award Finalist What do we do with pasts we inherit that carry shame A major and original contribution to thinking about and grappling with the legacies of German and Nazi history this book reflects on the relationship between history and memory through the personal narrative of a postwar German intellectual Arguing that the pasts that haunt us are shaped both by the things people did and suffered and the affective traces the past leaves in memory Born After is a powerful meditation on questions of guilt complicity loss and longing With bracing honesty and without sentimentality Bammer draws on her own family story to think anew about a history that we have come to accept as familiar Inflecting questions about history with questions about ethics her book speaks to all those concerned with historical pasts that remain unreconciled
