Finish Strong By Steve Farrar:

Finishing Strong Steve Farrar, 2011-02-02 Bestselling author Steve Farrar has good news for the average man it doesn't matter if you've had a great start in the Christian life or a rough one. It doesn't matter if you've stumbled time and again or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. *Finishing Strong* now in trade paperback offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool.

Finishing Strong Steve Farrar, 1996-07 This book is for the man who wants the spiritual power to stay with his wife, children, God, who wants to climb the ladder of character, maintain a sure, godly pace through life. **Endure: A Christian**

Man's Guide to Finishing Strong Bill Newton, 2022-05-02 Start, Stay, and Finish Strong. Too many Christian men start enthusiastically, then fall short. Falling short can be a public fall. Church-going husband has an affair. High-profile ministry leader gets caught in a scandal. Outspoken advocate is marred by hypocrisy. But for most men, falling short isn't a newsworthy spectacle. It's subtler. Closer to home. It's floundering in the faith. Stunted spiritual growth. It's entering the race God has called them to, then choosing to coast. This story doesn't make headlines, but it's far more common. Will this be your story? *ENDURE* is a practical, Scripture-steeped guide to help men finish the race God has set before them. Whether you are young or seasoned, married or solo, spiritually fit or totally anemic, this book was written for you. Empowered by the Holy Spirit and equipped with fresh insights, you will grow in biblical maturity, be challenged to change, and find strength for the road ahead.

Standing Tall Steve Farrar, 2011-05-11 A leader must stand tall enough for his followers to find him. As the God-appointed captain of his family, says Steve Farrar, a man faces the challenge of spying out the social territory, marking danger zones, and taking stands to protect those in his charge. It's an active leadership role, and Farrar's been training men to succeed in it for over ten years. In this paperback rerelease of his popular *Standing Tall*, the men's ministries leader walks tall through America, observing politics, abortion, the gay movement, media trends, and the loss of our moral boundaries. Farrar offers men sure biblical foundations on which to stand for faith-based living, closing with *Seven Ways to Help Your Kids Stand Tall*. A study guide appendix makes it great for group use, too. *Finish* R. Mark Baxter, 2011-03 It's important to finish things

for a number of reasons. When something is finished, action is set into motion, a sense of pride washes over, and then you can build on the base you started. Author Mark Baxter presents an important guide to qualities that must be developed in our lives in order to complete what we start. Divorce, church hopping, and dropping out of school are all common happenings in today's world. Break free from these patterns in your life and your family. Become a finisher. Though it's great to have many ideas and goals, don't forget the importance of the Finish. Gettin' There Steve Farrar, 2011-05-04 In *Gettin' There*
