Forensic Investigations and Fraud Reporting in India Sandeep Baldava, Deepa Agarwal, 2022-01-31 About the book Frauds and economic crime rates remain at a record high impacting more and more companies in diverse ways than ever before The only way to reduce the impact of such frauds is to get a detailed understanding of the subject and adopt preventive measures instead of reactive measures Fraud reporting is one of the most important themes in the current corporate governance scenario Considering the importance of this area various regulators have come out with reporting requirements in the recent past with an aim to ensure adequate and timely reporting of frauds In this context understanding of the roles and responsibilities of various stakeholders is pertinent This book is an attempt by authors to provide a comprehensive publication on the two specialised areas Forensic Investigations and Fraud reporting The book addresses two key corporate governance requirements top on the agenda of regulators enforcement agencies boards and audit committees

- 1 Rules roles and responsibilities of key stakeholders towards Reporting of frauds under governance regulations in India Prevention detection and investigation of frauds
- 2 Practical approach for conducting forensic investigations in India Practical tips case studies and expert insights

In addition to covering a gist of the topic with relevant provisions and authors viewpoint

key chapters also include relevant seasoned experts' take on the topic based on their vast practical experience. Each expert has more than three decades of experience, including the last two decades in leadership roles. The idea was to present a practitioner's perspective based on practical experience in their role as an independent director or CEO or CFO etc. More than 100 case studies are presented in the book to explain different concepts and learnings from various frauds discovered and investigated in India over the last two decades. Few of the Questions addressed in the book: Is there a requirement to report all frauds to the regulators? Who is responsible for reporting? What is the role of audit committee? CEO, CFO, CHRO, internal external auditors in prevention, detection, investigation and reporting of frauds? Can an organization ignore anonymous complaints? Can one access data from personal devices of employees during an investigation? How can one use forensic interviews as an effective tool to establish fraud? Is WhatsApp chat accepted as an evidence? Once fraud is established, what are the next steps an organisation is expected to initiate? What is the difference between an audit and an investigation? How the approach to forensic investigations has evolved over the last two decades in India? Can we blindly rely on technology to prevent and detect frauds? Evolving methods for prediction, prevention and detection of frauds.

Handbook of Research on Global Networking Post COVID-19 Pego, Ana, 2022-06-03. Management methodology and its applicability in society has changed drastically during the COVID-19 pandemic. Organizations have had to adopt new forms of resilience based on the needs of a different consumer. The COVID-19 market is a challenge for both producers and consumers as it meets new needs and a new capacity of merchandising. The Handbook of Research on Global Networking Post COVID-19 fully unleashes the broad potential of entrepreneurial activity by exploring and highlighting new businesses and as a result the well-being of millions of people globally throughout the COVID-19 pandemic and prospects for the future. Delving into topics such as student empowerment, economic sectors and personal finance, this book is an essential resource for managers, CEOs, consultants, faculty of higher education, students, researchers, policymakers and academicians.
