La famille dans l'ordre juridique de l'Union europ enne / Family within the Legal Order of the European Union Elsa Bernard, Marie Cresp, Marion Ho-Dac, 2020-12-31 Le droit de la famille dans sa dimension civiliste fortement ancr dans les cultures nationales des tats membres est une mati re qui ne rel ve pas en principe du droit de l Union europ enne Pourtant il n est plus possible d affirmer que la mati re chappe dans son entier au droit de l Union De nombreux aspects de la famille sont sous influence europ enne au point que l on voit se dessiner les contours d une famille europ enne L ouvrage propose de mettre en lumi re l acquis europ en en mati re de droit de la famille au prisme du droit mat riel citoyen et europ enne politique sociale de l Union fonction publique europ enne comme du droit international priv Le droit de la famille de l Union s identifie alors comme un droit sp cial compl tant la diversit des droits nationaux de la famille Sa signification th orique et politique dans l Union est d battue par les auteurs autant que son devenir Loin de demeurer

fragmentaire c t des droits nationaux des tats membres il a probablement vocation se densifier pour offrir aux citoyens et r
sidents europ ens un droit commun de la famille au sein de l Union Family law with its civil law tradition and strong roots in
the national cultures of the Member States does not normally fall within the scope of European law However it is no longer
possible to argue that family law is outside European law entirely There are many aspects of the family which are subject to
European influence to the point that the outlines of a European family are starting to emerge This book is intended to
highlight the European experience of family law and its substantive i e European citizenship EU social policy EU civil service
and private international law aspects Union law therefore contains a form of special family law which is shared between the
Member States and supplements their national family laws Its theoretical and political importance in the Union as well as its
future are discussed by the authors Far from remaining fragmented alongside the national laws of Member States it will
likely develop to offer European citizens and residents a common family law within the EU

What have different ideas about sex and gender meant for people throughout the history of the Middle East and North Africa. This book traces sex and desire in Muslim cultures through a collection of chapters that span the 9th to 21st centuries. Looking at spaces and periods where sexual norms and the categories underpinning them emerge out of multiple subjectivities the book shows how people constantly negotiate the formulation of norms their boundaries and their subversion. It demonstrates that the cultural and political meanings of sexualities in Muslim cultures as elsewhere emerge from very specific social and historical contexts. The first part of the book examines how people constructed, discussed and challenged sexual norms from the Abbasid to the Ottoman period. The second part looks at literary and cinematic Arab cultural production as a site for the construction and transgression of gender norms. The third part builds on feminist historiography and social anthropology to question simplistic dichotomies and binaries. Each of the contributions shows how understanding of sexualities and the subjectivities that evolve from them are rooted in the mutually constitutive relationships between gender and political power. In identifying the plurality of discourses on desires the book goes beyond the dichotomy of norm and transgression to glimpse what different sexual norms have meant at different times across the Middle East. Sexuelle Szenen Christiane Schmerl, Stefanie Soine, Marlene Stein-Hilbers, Birgitta Wrede, 2013-07-01. Der vorliegende Band geht in seiner Entstehung auf zwei Veranstaltungen des Interdisziplinären Frauenforschungszentrums IFF zurück die unter den Titeln Sexualität Identität und Begehren im Kontext kultureller Zweigeschlechtlichkeit und Von der Perversion zum Lebensstil zum kulturellen Wandel von Sexualität als Ringvorlesungen an der Universität Bielefeld im Sommersemester 1998 und 1999 durchgeführt wurden. Die Konzeption dieser Veranstaltungen wie auch die Idee zu diesem Buch beruhen auf dem aktuellen Stand der interdisziplinären Debatte über menschliche Sexualität das feministische und sexualwissenschaftliche Perspektiven zu sammeln. Es ging darum auch auf unsere Kollegin Marlene Stein-Hilbers zurück. Sie hat die gemeinsame Planungsphase und die ersten Realisierungsschritte noch bis zum Juni 1999 mitgetragen. In der Zeit ihrer schweren Krankheit und nach ihrem tragischen Tod haben wir das gemeinsame Projekt weitergeführt. Zuerst in der Hoffnung dass sie das Erscheinen unseres gemeinsamen Produkts noch erleben kann. Danach vor allem in dem Bestreben es in ihrem Sinne so perfekt wie möglich abzuschließen. *Sexonomica* Adalbert Lallier, 2013-04. Divine Flesh, Embodied Word Anne-Claire Mulder, 2006 What has Luce Irigaray's statement that women need a God to do with her thoughts on the relation between body and mind or the sensible and the intelligible Using the theological notion incarnation as a hermeneutical key Anne Claire Mulder brings together and illuminates the interrelations between these different themes in Luce Irigaray's work Seesawing between Luce Irigaray's critique of philosophical discourse and her constructive philosophy Mulder elucidates Irigaray's thoughts on the relations between becoming woman and becoming divine She shows that Luce Irigaray's restaging of the relation between the sensible and the intelligible between flesh and Word is key to her reinterpretation of the relation between woman and God In and through her interpretation of Luce Irigaray's thoughts on the flesh she argues that the relation between flesh and Word must be seen as a dialectical one instead of as a dualistic relation This means that incarnation is no longer seen as a one way process of Word becoming flesh but as a continuing process of flesh becoming word and word becoming flesh For all images and thoughts including those of God are produced by the flesh divine in its creativity inexhaustibility in response to the touch of the other And these images thoughts words in turn become embodied by touching and moving the flesh of the subject **Sterben für die Freiheit -**
