and tools to help your organization collaborate for real results **No Experience Necessary** Norman Van Aken,2013-12-07
No Experience Necessary is Chef Norman Van Aken's joyride of a memoir. In it, he spans twenty-plus years and nearly as many jobs, including the fateful job advertisement in the local paper for a short-order cook with no experience necessary. Long considered a culinary renegade and a pioneering chef, Van Aken is an American original who chopped and charred, sweated and seared his way to cooking stardom with no formal training but with extra helpings of energy, creativity, and faith. After landing on the deceptively breezy shores of Key West, Van Aken faced hurricanes, economic downturns, and mercurial moneymen during the decades when a restaurant could open and close faster than you can type haute cuisine. From a graveyard shift grunt at an all-night barbecue joint to a James Beard award finalist for best restaurant in America, Van Aken put his trusting heart, poetic soul, natural talent, and ever-expanding experience into every venture and helped transform the American culinary landscape along the way. In the irreverent tradition of Anthony Bourdain's *Kitchen Confidential* and populated by a rogues' gallery of colorful characters, including movie stars, legendary musicians, and culinary giants Julia Child, Emeril Lagasse, and Charlie Trotter, *No Experience Necessary* offers a uniquely personal, highly entertaining, under-the-tablecloth view of the high-stakes world of American cuisine, told with wit, insight, and great affection by a natural storyteller.

Crescent Dragonwagon, James Beard Award-winning author, thanks to the constant availability of takeout, frozen dinners, and fast-food restaurants for the majority of Americans, cooking has become a spectator sport, an entertaining activity you watch on television but not something to try at home. *The Vegetarian Chef* is a warm and funny instructional guide that addresses this issue head-on. Rather than simply collecting recipes, author, chef, caterer, and nutritionist Susan Crowther offers people something even more useful: an understanding of how to cook. *The Vegetarian Chef* is a commonsensical and creative approach to preparing delicious plant-based meals, focusing on principles, intuition, and integrity. Cooking is also explored holistically, incorporating aspects such as local ingredients and green cooking. From preparing simple salad dressings to simmering soup stocks to kneading dough for

bread Crowther takes the intimidation factor out of cooking by giving readers the basic information and tools they need for culinary success Once you understand a few basic rules and generally what ingredients in what proportions are necessary for certain dishes you ll be free to confidently experiment with all sorts of culinary creations With a handful of easy to follow cooking time charts and shopping lists plenty of warm advice and a pinch of humor Crowther welcomes aspiring cooks on a fun and exciting culinary adventure Skyhorse Publishing along with our Good Books and Arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking We ve been successful with books on gluten free cooking vegetarian and vegan cooking paleo raw foods and more Our list includes French cooking Swedish cooking Austrian and German cooking Cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Chef Tell Ronald Joseph
