originates as much in the moment of its creation 1939 1941 in the family relationships the historical circumstances and the fact that this work would represent a moment of closure of his great career Key to this heroic story of creation is the intervention of his wife Carlotta whose diaries enable a day to day observation of how the play was written She was the driving force behind the design of Tao House and she managed the rhythms and patterns of life within its architecture It was her masterpiece just as Long Day s Journey was his This book develops a close reading of their house and marriage and also uses many of O Neill s previous plays to illuminate the breakthrough of Long Day s Journey This book is the most granular and at the same time the most far reaching inquiry into how this quintessential play was written and almost not written and how it came into the world
