Making Marriage Work By Faith Oyedepo:

Making Marriage Work Faith A. Oyedepo, 1997 God's original intent for marriage is enviable and imitable success. It was designed to work not to hit the rocks leaving its victims devastated and inconsolably heartbroken. But isn't that the story in our world today? In this book Pst Mrs Faith Oyedepo renews her effort to see homes all around the world witness unprecedented change and harmony. Unveiling tested secrets to making a marriage work, she passionately teaches that purposeful hard work is the only way to enjoy happily ever after. Gender, Social Change and Spiritual Power Jane E. Soothill, 2007 Against a backdrop of debate concerning the role of Pentecostalism as a mediator of modernity, this book examines the interaction between charismatic Christianity, spiritual power, and gendered social change in contemporary Ghana. *Genders, Sexualities, and Spiritualities in African Pentecostalism* Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities. In the last three decades, African Pentecostalism has emerged as one of the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural, economic, and political spheres. Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations. This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa. Rescued from Destruction Faith A. Oyedepo, 2007 Rescued from Destruction is a classic testament to the unflinching faithfulness of God to His people in time of trouble. It is a message of hope brought alive to the dying world. Pst Mrs Faith Oyedepo never stops reechoing the truth that God is too faithful to fail, the single most powerful message derived from her famous encounter with God as she walked through the shadow of death. Using her ever-inspiring story, she teaches challenged believers what to do when the flood is overflowing and the pain seems unbearable. This book offers a unique blend of practical and spiritual steps to overcoming the fierce battles of the mind and holding on in the face of contrary and adverse situations. Never forget this: When God seems far away, He is not. He is too faithful to fail. Eliminating Domestic Violence, 2005 *Amazing Restorations* David O. The Mighty And The Almighty Nick Spencer, 2017-04-13 For a secular age we have a lot of religious politicians Theresa May Vladimir Putin Angela Merkel even Donald Trump all profess Christianity as did Obama Brown Sarkozy Bush and Blair before them Indeed it is striking how many Christian Presidents and Prime Ministers have assumed the global stage over recent years In spite of Alastair Campbell's oft and misquoted line We don't do God it seems like we definitely do But how sincere is this faith Is not much of it simply window dressing for the electorate paste on haloes to calm the moral majority Conversely how dangerous is it If we elect our politicians to do our democratic will do we really want them praying to God for advice The Mighty and the Almighty looks at some of the biggest political figures of the past forty years from Thatcher and Reagan through Mandela and Clinton to May and Trump and looks at how they did God Did their faith actually shape their politics and if so how Or did their politics shape their faith And does it matter if it did In an age when religion is more important on the global stage than anyone would have predicted fifty years ago this book will tell you everything you want to know and some things you won't about how the Mighty get on with the Almighty
