Corporate Governance and Investment Management Roger M. Barker,Iris H.-Y. Chiu,2017-12-29 Shareholder engagement with publicly listed companies is often seen as a key means to monitor corporate malpractices In this book the authors examine the corporate governance roles of key institutional investors in UK corporate equity including pension funds insurance companies collective investment funds hedge and private equity funds and sovereign wealth funds They argue that institutions corporate governance roles are an instrument

ultimately shaped by private interests and market forces as well as law and regulatory obligations and that policy makers should not readily make assumptions regarding their effectiveness or their alignment with public interest or social good

Washington and Lee Law Review ,1982 **Macroeconomic Policy in Fragile States** Ralph Chami,Raphael

Espinoza,Peter J. Montiel,2021-01-26 Setting macroeconomic policy is especially difficult in fragile states Political legitimacy concerns are heightened raising issues such as who the policymakers are what incentives they face and how the process of policymaking is likely to work under limited legitimacy and high uncertainty both about the macroeconomic environment as well as policy effectiveness In addition fragility expands the range of policy objectives in ways that may constrain the attainment of standard macroeconomic objectives Specifically in the context of fragility policymakers also need to focus on measures to mitigate fragility itself i e they need to address issues such as regional and ethnic economic disparities youth unemployment and food price inflation Socio political developments around the world have thus pushed policymakers to broaden their toolkit to improve the effectiveness of macroeconomic management in the face of these constraints The chapters in *Macroeconomic Policy in Fragile States* address these issues both by giving an analytical context from which policymakers can build to answer the questions they face in fragile situations as well as by providing lessons drawn from empirical analyses and case studies The first section of the volume discusses the interactions between political economy considerations and macroeconomic policymaking The second section covers the private sector environment in fragile states The third section focuses on macroeconomic policy especially fiscal policy monetary policy exchange rate policy external flows and aid effectiveness The last section explains the role of the IMF in fragile states and concludes by presenting case studies from the Middle East and from Sub Saharan Africa The contributors to the volume are economists and political scientists from academia as well as policymakers from international organizations and from countries affected by fragility

Regulation Anna-Karin Stockenstr nd,Fredrik Nilsson,2017-01-20 Bank Regulation Effects on Strategy Financial Accounting and Management Control discusses and problematizes how regulation is affecting bank strategies as well as their financial accounting and management control systems Following a period of bank de regulation the new millennium brought a drastic change with many new regulations Some of these are the result of the financial crisis of 2008 2009 Other regulations such as the introduction in 2005 of International Financial Reporting Standards IFRS for quoted companies in the EU can be related to the introduction of a new global accounting regime It is evident from annual reports of banks that the number of new regulations in recent years is high and that they cover many different functional areas The objectives of these regulations are also ambitious to improve governance and control contributing to a high level of financial stability for banks These objectives are obviously of great concern for an industry that directly and indirectly affects the financial situation not only of individuals and organizations but also nation states Considering the importance of banks in society it is of little surprise that the attention of both scholars and practitioners has been directed towards how banks comply with new regulations and if the intended objectives of the regulations are met This book will be of great value to all those interested in financial stability matters practitioners policy makers students academics as well as to accounting and finance scholars *Tax Crimes and Enforcement in the European Union* Umut Turksen,Donato Vozza,Reinhard Kreissl,Fanou Rasmouki,2023-01-12 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford

Scholarship Online and offered as a free PDF download from OUP and selected open access locations EU member states lose hundreds of billions of euros to tax evasion every year Tax crimes have a significant impact on the functioning of national and international economies and on the global financial system Not only do they affect the actors involved and the state that has been deprived of tax revenues but the citizens of those states suffer too Tax Crimes and Enforcement in the European Union

presents the findings of the EU funded PROTAX project Chapters written by leading experts discuss EU and national legal measures and institutional practices to counter anti money laundering corruption organised crime and tax evasion Human factors and their role in countering tax crimes are also considered as well as whistleblower protection legislation which gives readers a rounded view of current practices within the EU This book provides a timely and valuable comparative study of the legal and institutional background of the prosecution of tax crimes as well as an analysis of legal measures and institutional practices to combat tax crimes on national and EU levels It also contributes to the development of an advanced European Security Model for understanding human factors in countering tax crimes It equips policy makers and law enforcement agencies with the dynamic toolkit they need to improve their understanding of tax crimes in the EU and provides solutions for preventing detecting and investigating tax crimes
