

FRANKENSTEIN

PRE-READING ACTIVITIES

- 1- Frankenstein is a monster who creates devastation, born thanks to a madman who wanted to create a perfect human to begin a new era.
- 2- I know it to be a horror and a tragic story, even if I never read or watched any version of Frankenstein before.
- 3- He is a devastating monster, but with an uncanny intelligence and knowledge of mankind.
- 4- The character of Frankenstein is used, in my opinion, as an inspiration to every film or book villain who, before becoming a bad person, has been put to the borders of society or somehow excluded. That exclusion not only gives him (or her) a pain that becomes rage and that the villain unleashes on everybody who wronged him, but also gives him a deep knowledge about the people who surround him.

ACTIVITIES WHILE READING (introduction)

- 1- That she was a dreamer who loved to write since a young age, who lived in Scotland and came from a family of famous writers. That she had an husband who strongly encouraged her.
- 2- that they were born during a rainy summer when Lord Byron, their neighbour asked them to write a ghost story each and Mary Shelley being clueless about the plot of it, choose to write about a nightmare she had.
- 3- hideous phantasm, frightful, terrify, horror stricken, hideous corpse, horrid thing.
- 4- "frightful must it be, for supremely frightful would be the effect of any human endeavour to mock the stupendous mechanism of the Creator of the world".

(preface)

- 1-
- 2- No, I already knew everything about the author and the circumstances of the story's writing.
- 3- Prometheus was a demigod who choose to bring fire to the humans against his father Zeus' will.

Letters I-IV

- 1-2-3-4-5-6 Walton is writing to his sister, with whom he has a very good relationship. He's going to explore "a land never before imprinted by the foot of a man". He is optimistic, idealistic and ambitious, but also very lunatic, but above all he says he needs a companion. He is firm but gentle with the members of his crew.
- 7- the idea of "strange", connected with the man on the sledge, is emphasized by "being " and "gigantic".
- 8- that he is a man who has suffered a lot, both physically and psychologically.
- 9- Walton finds astonishing that a man on the brink of death would ask where are they going: many in his place would have begged for help.
- 10- he travelled so far to seek one who fled from him.
