Rodríguez, 2022-04-01 Mediante la Resolución 1274 del 28 de enero del 2016 el Ministerio de Educación Nacional otorgó el registro calificado por siete años a la Maestría en Tributación de la Universidad de los Andes. Desde su concepción como maestría de profundización este programa tiene especial énfasis en el estudio y la solución de casos y problemas avanzados relacionados con la tributación nacional, subnacional, internacional, supranacional y comparada. En consecuencia, sus materias han sido especialmente diseñadas para que el estudiante reconozca las problemáticas tributarias más importantes y de esa manera esté en capacidad de proponer alternativas de solución. Como resultado en el curso Perspectivas Interdisciplinarias de la Tributación los estudiantes logran identificar las principales tensiones en la relación entre la tributación y otras disciplinas pertenecientes o no al área jurídica, lo cual les permite establecer un mejor diálogo con profesionales de materias afines a la tributación. En el curso Temas Avanzados de la Tributación Colombiana por su parte se analizan las problemáticas normativas, doctrinales y jurisprudenciales más relevantes de los tributos nacionales y subnacionales, así como del procedimiento tributario, teniendo siempre en mente propuestas de mejora para el actual sistema tributario del país. En la asignatura Temas Avanzados de la Tributación Internacional, Supranacional y Comparada los estudiantes profundizan en las tensiones interpretativas y aplicativas de las normas internas e internacionales con implicaciones fiscales en las distintas operaciones transfronterizas. Finalmente, los estudiantes cuentan con dos materias electivas, una de cualquier programa de maestría de la Universidad para promover así el análisis interdisciplinario y la flexibilidad curricular, y otra propia de nuestra maestría para buscar mayor especialidad. En estos cursos los alumnos, siguiendo sus propios intereses académicos y profesionales, perfilan así mismo su profundización. En la figura 1 se visualiza mejor la estructura académica del segundo año de la maestría, pues el primero es la Especialización en Tributación de la Universidad de los Andes.
