Hope from the Garden of Eden to the End of the Patmos Island author Andrew presents us with a Bible study that shares the hope of the Lord, discussing the fact that God promised a Messianic hope at the time of fall, how Jesus' crucifixion and the resurrection gives hope to us, how the reconciliation with God would give us a hope, and many more subjects that affect Christians today. In this six chapter study, Choi takes us through the Scriptures from the first book of the Bible to Revelation that gives a hope message. Each chapter focuses on a unique aspect of issues Christians face on a daily basis from redemption to daily trials, overcoming depression. If you have ever wondered how to find hope in the Lord during times of struggle or how to forgive others and receive strength through the power of the Lord, Hope from the Garden of Eden to the End of the Patmos Island will show you the way.
