Janua Linguarum Michel Candelier, Ana-Isabel Andrade, European Centre for Modern Languages, 2004-01-01 The project Ja Ling Janua Linguarum The Gateway to Languages following the title of a work by Comenius aims at more widespread dissemination and curricular insertion of activities promoting linguistic and cultural education in their diversity The main objective is to create synergy between linguistic learning within the framework of the teaching both of more languages and more diversified languages *Networking Self-Teaching Guide* James Edwards, Richard Bramante, 2009-04-15 IT professionals who want to move into the networking side in a corporate or enterprise setting will find the detailed content they need to get up to speed on the very latest networking technologies plus current networking professionals will find this a valuable and up to date resource This hands on guide is designed so that you can select design and implement an actual network using the tutorials and steps in the book Coverage includes an overview of networking technologies including the hardware software transmission media and data transfer processes in depth coverage of OSI and TCP IP reference models operating systems and other systems software used in today s networks LANs WANS and MANs including the components and standards that operate within each type of area network and more Teaching Practices and Equitable Learning in Children's Language Education Giannikas, Christina Nicole, 2021-03-26 Educating children and leading them towards the path of bilingualism is a valuable and challenging task for any educator Effective language teaching can contribute to young learners cognitive growth develop their problem solving skills enhance their comprehension abilities and provide children with the satisfaction of succeeding in the challenge of learning a foreign language All these issues must be taken under consideration when researching children and their teachers The current literature indicates that further material is needed to provide professionals with different classroom situations and enhance the art of teaching children Teaching Practices and Equitable Learning in Children s Language Education focuses on various perspectives of efficient practices approaches and ideas for professional development in the field of young language learners The chapters in this book link the theoretical understanding and practical experience of teaching children languages by concentrating on teaching practices material design classroom management reading speaking writing and more This book is designed for inservice and preservice teachers administrators teacher educators practitioners stakeholders researchers academicians and students interested in the field of early language learning and applied linguistics at large *Gateway. B1 : Teacher's book* Anna Cole, 2011 **Early Language Learning and Teacher Education** Subhan Zein, Sue Garton, 2019-02-26 Language teacher education is widely identified as one of the most important areas that needs addressing in order to improve early language instruction yet research into teacher education for early language teachers remains relatively sparse This volume responds to this gap by compiling studies with diverse methodological tenets from a wide range of geographical and educational contexts around the world The volume aims to enhance understanding of early language teacher education as

well as to address the need to prepare early language teachers and assist them in their professional development The chapters focus on the complexity of teacher learning innovations in mentoring and teacher supervision strategies in programme development and perceptions and knowledge and assessment in early language learning teacher education The volume offers comprehensive coverage of the field by addressing various aspects of teacher education in different languages The contributions highlight examples of research into current practice in the professional enhancement of early language learning teachers but with an emphasis on the implications for practitioners

CLIL in Action María Luisa Pérez Cañado, David Marsh, Juan Ráez Padilla, 2015-10-05 This volume explores the current position of CLIL on the three main fronts where it is attracting particular attention in specialized literature namely implementation research and teacher training To this end it presents evidence from national and international research projects governmentally financed pedagogical initiatives grassroots experiences and investigations and inter institutional training programs which offer insights into how CLIL is working in action on the afore mentioned three levels The opening section of the book CLIL in action Practical considerations provides a window into how CLIL implementation is unravelling at the grassroots level vis vis key aspects for CLIL development such as the design of materials the use of ICT and the importance of extramural exposure The second part The effects of CLIL on language learning Research based evidence explores some key areas for future research showcasing how engaging in research as a device that drives reflection is the best possible way to continue moving the CLIL agenda forward Finally in the third part Preparing teachers for CLIL Practical proposals the interface of research and pedagogy is discussed as the former informs the latter in a clear instantiation of what Coyle 2011 terms evidence based practice in setting necessary teacher training actions in place As such the volume addresses three burning issues in the CLIL scenario through practical and research based proposals of tried and true CLIL development If all three strands implementation research and training dovetail and progress in harmony a solid template will be built for the future and the CLIL agenda will be pushed forward By pooling together the insights of a set of researchers teacher trainers policy makers and grassroots practitioners this volume will contribute to this much needed endeavour

Proceedings of the 4th International Conference on Linguistics and Culture (ICLC-4 2023)

Muhammad Hasyim, 2024-05-22 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events

are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments Covid 19 has inspired many in research on language literature and culture In the field of language you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases a person who is late known to be infected with Covid 19 etc That s the content Content on YouTube about the use of language is a hot object of research to research In terms of culture the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner Covid 19 is not only a deadly virus but has a domino effect that is also terrible One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy As an investment culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people This strategy is implemented through providing for a diversity of cultural expressions developing cultural practices utilizing cultural promotion objects accelerating institutional reform and increasing the government s role as a facilitator Teaching issues especially teaching methods of language literature and culture need to be highlighted in terms of IT based innovation and creativity after Covid 19 How especially teaching methods in applying the material Research on learning methods has also been carried out a lot especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture It is interesting to reveal a major event namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar English Education at the Tertiary Level in Asia Eun Sung Park, Bernard Spolsky, 2017-03-16 This is the third volume of a trilogy on English Language education in Asia within the Routledge Critical Studies in Asian Education Put together by editors and contributors selected by Asia TEFL this book provides a timely and critical review of the current trends in tertiary level English education in Asia It foregrounds the developments and trends policies and implementation as well as research and practice Written by ELT scholars and educational leaders this book presents articles on China Hong Kong India Japan Korea Malaysia the Philippines Singapore Thailand and Vietnam While the authors focus on their own local issues providing an overview of the state of tertiary English teaching in their respective territories they also provide insights from their successes and failures which can help inspire solutions to similar challenges faced internationally in the field Chapters in the book include Heading toward the global standardization of English education in Korean universities English in tertiary education in India A Janus faced perspective with special reference to University of Delhi Developing English language skills in the Singapore higher education context ELT at tertiary institutions in China A developmental perspective This book will be valued by administrators researchers and scholars interested in bilingualism language policy and planning in higher education **Spirituality and Knowledge Dynamics** Raysa Geaquinto

Rocha, Paulo Pinheiro, Marcia d'Angelo, Constantin Bratianu, 2024-09-03 Can spirituality unlock the full potential of your organisation Spirituality and Knowledge Dynamics offers a groundbreaking exploration of how spiritual practices wisdom traditions and contemplative approaches can revolutionise organisational effectiveness and well being This seminal work brings together cutting edge research from a distinguished panel of sixteen scholars across fourteen nations illuminating the transformative power of integrating spirituality into knowledge management and strategies Divided into two thought provoking sections the book first delves into the theoretical underpinnings of knowledge fields spiritual knowledge management and spirituality as a meta story The second section presents empirical insights across diverse contexts including communities the workplace higher education and entrepreneurship Through its profound and multifaceted content this book challenges readers to reimagine the role of spirituality in driving organisational success and personal growth Whether you are a researcher practitioner or educator in management knowledge management or higher education Spirituality and Knowledge Dynamics offers invaluable perspectives on harnessing the power of spirituality to enhance knowledge dynamics and create thriving purpose driven organisations Embark on a transformative journey that will reshape your understanding of the intersection between spirituality and organisations [Guide for the linguistic inclusion of migrants](#) Lorna Carson, 2022-06-01 Designed to create tangible materials which support the demands of this context the INCLUDEED Erasmus project aims to integrate migrants and refugees through one of Europe s greatest assets their languages This guide aims to become an ally of both those who wish to deepen their knowledge of the migration phenomenon and those who wish to facilitate the integration process of these groups Developed from the experience that the Universities of the consortium have in this field University of Salamanca University of Bologna University of Coimbra University of Heidelberg University of Poitiers and Trinity College Dublin this document emanates from a common effort as well as from the will to form an egalitarian society in terms of integration However this would not have been possible without the support of various non governmental organisations Red Cross ACCEM CEPAIM Foundation and Sierra Pambley Foundation which dedicated to the reception and integration of migrants and refugees throughout Europe have facilitated the identification of difficulties and enabled bridges to be built between different perspectives and joint efforts to converge in the same direction This guide addresses the various challenges that emerge during the integration period of these groups and proposes solutions that can help this complex process to be successful Designed as a useful vade mecum for the performance of the tasks of the various groups language teaching professionals or volunteers non governmental organisations and national and supranational public institutions it is a support tool that guides the actions of those involved in the process of linguistic integration of newly arrived people It provides them with a better understanding of the situation in which these groups find themselves and of the tools available to achieve this In short it is a document that seeks to bring together through informative but rigorous text the theoretical advances in this field and to offer various resources that can be put into practice in real life Finally we would like

to emphasise that the contents of this guide should be understood as suggestions arising from the experience and commitment of those who have worked on its development and as a tool that will help to answer some of the questions that arise in the process of integration of migrant groups These questions are currently being answered thanks to the committed engagement of all those who are participating in this project In addition information from all the countries in the consortium can be found throughout these pages which broadens the perspective of most of the tools created so far making this guide truly an international reference work
