Jesus disciplined the twelve and the seventy through a unique method which seems to be missing in the Church and Bible Seminaries today. Twenty-first century Christians equate discipleship and equipping the saints with accumulating knowledge through Bible study. But our Lord Jesus Christ was more action-oriented, practical, and his disciples learned by doing as he did. He had them listen to him and observed after which they were sent out to preach the Kingdom, heal the sick, baptize new believers (John 3:22, 4:1-2), cast out demons (albeit not always successfully) (Matthew 17:14-21), and Jesus used those opportunities to teach them even more. He said, "Follow me, and for three years they had hands-on ministry training." A normal disciple of Jesus must not only know the scriptures but must be taught on how to apply the word of God and get results. Many are aware that Jesus said those that believe in Him shall lay hands on the sick and they shall recover, but several believers don't know how to go about it to see the desired results. This book is written to give readers a clear, easy-to-follow roadmap on how to minister Christ to others, being it through personal evangelism, healing the sick, administering inner healing for the broken heart, preparing and preaching, sermon, discipleship, church planting, and much more. The truth of this book has been tried and tested for years in my ministry and in the ministry of several others I have trained through Pistis Bible Institute. If you are interested to be equipped for ministry rather than just educated, if your desire is to know the Lord Jesus and do His works as a disciple and minister, then this book is a must-read for you.
