Foundation School Pastor Chris Oyakhilome:

Mother Earth, Mother Africa and Mission Seblewengel Daniel, Mmapula Diana Kebaneilwe, Angeline Savala, 2021-07-01 The volume is significant in bringing together voices of African women theologians and their allies on the urgent topic of ecology. First it decisively intervenes into scholarly discourses on ecofeminism by highlighting the reflections of African women scholars and African women as subjects. This function of the volume is very important both at local and global levels. Second it contributes to contextualizing of scriptural interpretation around the issue of ecology. Biblical reflection occurs throughout the volume and is put into dialogue with African traditions with ecofeminism with Africa based mission projects and with the current crisis of sustainability and African women's roles in protecting the earth. Third the volume includes several concrete case studies based on interviews and grassroots qualitative research as well as especially original articles that integrate biblical exegesis of Genesis with reflections on patriarchal legal systems in Botswana and an original take on male headship in relation to ecofeminism. Professor Dana L. Robert Boston University USA **NIGERIA - GIANT OF AFRICA** Wale Owoeye, 2025-02-20 **NIGERIA GIANT OF AFRICA** pays homage to the greatness of the most popular nation on the black continent. Capturing in ten chapters what makes Nigeria a great nation of achievers, explore the origins, politics, structure, special places, stellar personalities and important milestones of Nigeria as it has evolved in the last 60 years. A special dedication to all Nigerian youths worldwide who believe in the future greatness of Nigeria, be inspired to discover and celebrate the giant in you. *The Hidden Within* Benny King Azangisa, 2015-09-15 This book is a series collection of poems that are styled in scenes and volumes entitled *The Hidden Within*, an assortment of poems aligned in a somewhat pattern of a story. Depicting the journey of the author Benny King Azangisa on the pursuit to venture on his dreams just as any young man should. The ideology of *The Hidden Within* from its actual logical perspective paints a scenario where there is a divulging taking place but sourced from the heart of a person who expresses his experiences through the art of poetry.

Sensational Piety Murtala Ibrahim, 2022-08-11 Grounded in anthropological comparison and the concept of materiality, this book offers an in-depth ethnographic study of the similarities and differences among various forms of religious practices in a Pentecostal Church, Christ Embassy, and an Islamic group, NASFAT, in the Nigerian capital of Abuja. Scholarship in this area tends to focus on inter-religious contestations and conflicts; however, this book proposes that another dynamic is unfolding between Christians and Muslims that is characterised by conviviality, interfaith joint action programmes, mutual influences, and even the exchange of religious forms. The comparative approach reveals that notwithstanding the seemingly opposed worldviews and divergences between Muslims and Christians, they all face similar challenges and apply similar techniques for meeting the challenges posed by the precarious Nigerian urban environment. It is through practices, especially those conducted in semi-public settings, that people from different religious persuasions define, encroach on, and feel the weight of each other's presence. *Christian Foundation School* Benedict Hardenberg, 2017 **Faith-filled Confessions**
