

Black History Mini Docs

Frances Cress Welsing

Frances Cress Welsing born in Chicago, Illinois, on March 10, 1935 was a psychiatrist best known for writing *The Isis Papers*. She received her Bachelor's of Science from Antioch College in Ohio in 1957 and her medical degree from Washington, D.C.'s Howard University in 1962. Welsing spent 25 years working as a staff physician for D.C.'s Department of Human Services, and also as the clinical director of two schools catering to children with emotional troubles.

Welsing opened her own private practice in D.C. in 1967. Through her published works and her research, Welsing sought to help bring about a solution to the mental health problems of the black community by understanding racism. She published her first major work as an essay, "The Cress Theory of Color-Confrontation" in 1978. The essay was controversial and prevented her from not only gaining tenure at Howard but in fact losing her teaching post.

In 1980 Welsing published her most famous work, a collection of essays titled *The Isis Papers: The Keys to the Colors*, which discussed in depth the issues of white supremacy and racism in the United States. Aside from her published racial and social theories, Welsing was an advocate for a strong Black family unit. She
