Made From Scratch

Kent Taylor, 2021-08-24 An Instant Wall Street Journal Bestseller From founder Kent Taylor the incredible made from scratch success story of Texas Roadhouse In Made From Scratch the late business maverick Kent Taylor tells the legendary story of Texas Roadhouse and in the process reveals its recipe for success embracing unorthodox business practices Because isn't it a little unusual for a company to do almost no advertising Is it wild to give away free peanuts and rolls and keep prices low even as costs rise or to keep the menu basically the same since it opened Does it fly in the face of reason to prohibit coats and ties at headquarters and to have a CEO who dressed like he was part of the landscaping crew These business practices might be unconventional but for Kent and Texas Roadhouse they worked What Kent and his Roadies cooked up is an island of misfits who are cool with

being different They love to have fun but are serious about following meticulous recipes to serve up hand cut steaks fall off the bone ribs made from scratch sides ice cold beer and irresistible fresh baked bread It s Legendary Food Legendary Service the Texas Roadhouse way To show how this company became a staple of American dining and survived a once in a lifetime pandemic Kent took a trip back in time to offer the lessons learned from his pathbreaking life revealing how a distracted kid from Louisville Kentucky created anything worthwhile at all

The Theatrical Juggernaut (The Psyche of the Star) Monroe Mann, 2006-10-06 This book may be just the antidote for an actor who has completely lost faith or given up control over his destiny Backstage West Los Angeles If this book is any indication of things to come we are going to be hearing a lot about Monroe Mann Bob Fraser Emmy recognized actor producer writer and director and author of You Must Act A how to for aspiring stars based on boot camp persistence CNN s Wolf Blitzer To make it big you need the Real Deal Mr Mann is the Real Deal Jay Conrad Levinson author of the Guerrilla Marketing series of books This book is unlike any other you will read on the subject of acting It is not about how to find good headshots how to perfect a monologue or how to find an agent though these subjects are indirectly touched upon It s about how to succeed in the arts It s about why 99% of aspiring professional actors fail to even get their foot in the door and how the other 1% somehow do get their foot in the door and actually stay there Once and for all this book aims to shatter the absurd notion that acting professionally is a privilege for only a select few and that without a break given by the industry there is no hope for success The blame for your failure and the credit for your success can only be put on yourself and not the business Forget the nay sayers wave goodbye to the critics laugh at the agents who won t respond to you The Theatrical Juggernaut is going to inspire you like no other how to book has ever done before

Managing for the Long Run Danny Miller, Isabelle Le Breton-Miller, 2005 Fidelity Hallmark Michelin and Wal Mart are renowned industry powerhouses with long leadership track records Yet these celebrated companies are united by another factor not generally equated with competitive success They are all family controlled businesses While many view the hallmarks of family businesses stable strategies clan cultures and unencumbered family ownership as weaknesses Danny Miller and Isabelle Le Breton Miller argue that it is these very characteristics that create formidable competitive advantages for many such firms Managing for the Long Run draws from a worldwide study of enduring family run organizations including Cargill Timken L L Bean The New York Times and IKEA to reveal their unconventional success strategies and how these strategies can be adopted and applied in any organization Miller and Le Breton Miller show how four driving passions of family run firms command continuity community and connection give rise to a set of practices that defy modern management thinking yet ensure a company s long term competitive advantage Outlining how these practices can enhance strategic efforts from operations to brand leadership to innovation this book shows what every company must do to manage for the long run

The Bookbuzz Book of Biz Book Insights 2009 Yanky Fachler, 2009 My Hope is that Managers will read Business Books a bit More Critically free from Delusions their Deepest Fantasies and Fondest Hopes

Tempered by a bit of Realism Phil Rosenzweig The Halo Effect Book Jacket Beyond Performance Scott Keller, Colin Price, 2011-06-21 The secret of achieving and sustaining organizational excellence revealed In an ever changing world where only a third of excellent organizations stay that way over the long term and where even fewer are able to implement successful change programs leaders are in need of big ideas and new tools to thrive In Beyond Performance McKinsey Company's Scott Keller and Colin Price give you everything you need to build an organization that can execute in the short run and has the vitality to prosper over the long term Drawing on the most exhaustive research effort of its kind on organizational effectiveness and change management Keller and Price put hard science behind their big idea that the health of an organization is equally as important as its performance In the book's foreword management guru Gary Hamel refers to this notion as a new manifesto for thinking about organizations The authors illustrate why copying management best practices from other companies is more dangerous than helpful Clearly explains how to determine the mutually reinforcing combination of management practices that best fits your organization's context Provides practical tools to achieve superior levels of performance and health through a staged change process aspire assess architect act and advance Among these are new techniques for dealing with those aspects of human behavior that are seemingly irrational and therefore confound even the smartest leaders yet entirely predictable Ultimately building a healthy organization is an intangible asset that competitors copy at their peril and that enables you to skillfully adapt to and shape your environment faster than others giving you the ultimate competitive advantage **What Management Is** Joan Magretta, 2012-12-25 A beginner's guide and a bible for one of the greatest social innovations of modern times the discipline of management Whether you're new to the field or a seasoned executive this book will give you a firm grasp on what it takes to make an organization perform It presents the basic principles of management simply but not simplistically Why did an eBay succeed where a Webvan did not Why do you need both a business model and a strategy Why is it impossible to manage without the right performance measures and do yours pass the test What Management Is is both a beginner's guide and a bible for one of the greatest social innovations of modern times the discipline of management Joan Magretta a former top editor at the Harvard Business Review distills the wisdom of a bewildering sea of books and articles into one simple clear volume explaining both the logic of successful organizations and how that logic is embodied in practice Magretta makes rich use of examples contemporary and historical to bring to life management's High Concepts value creation business models competitive strategy and organizational design She devotes equal attention to the often unwritten rules of execution that characterize the best performing organizations Throughout she shows how the principles of management that work in for profit businesses can and must be applied to nonprofits as well Most management books preach a single formula or a single fad This one roams knowledgeably over the best that has been thought and written with a practical eye for what matters in real organizations Not since Peter Drucker's great work of the 1950s and 1960s has there been a comparable effort to present the work of

management as a coherent whole to take stock of the current state of play and to write about it thoughtfully for readers of all backgrounds Newcomers will find the basics demystified More experienced readers will recognize a store of useful wisdom and a framework for improving their own performance This is the big picture management book for our times It defines a common standard of managerial literacy that will help all of us lead more productive lives whether we aspire to be managers or not

Working Hard is Not Good Enough TGC Prasad,2013-12-20 Less than 2 percent of entrepreneurs succeed only 15 percent employees get the best hikes promotions and appraisal ratings Less than 1 percent get to senior management positions and higher Does this mean the rest do not work as hard or are not as smart They are But there are subtle yet profound differences According to bestseller author TGC Prasad there is more to accomplishments than just working hard or at times even being smarter Working Hard is Not Good Enough is an insightful management book for all who want to make a difference to their performance potential and life in general to achieve success and importantly happiness

The Way We Work Regina Fazio Maruca,2007-12-30 From corner office to 24 7 the world of work has permeated every facet of our culture The Way We Work explores in over 150 A Z entries the origins and impact of the concepts ideas fads and themes have become part of the business vernacular shedding light on the dynamic ways in which business and society both influence and reflect each other Assessing the evolving business environment in the context of technology development globalization and workplace diversity The Way We Work covers the gamut of business related topics including Crisis Management Outsourcing and Whistleblowing as well as popular subjects such as Casual Friday Feng Shui and Napster

Shortcut John Pollack,2014-09-11 A presidential speechwriter for Bill Clinton explores the hidden power of analogy to fuel thought connect ideas spark innovation and shape outcomes From the meatpacking plants that inspired Henry Ford's first moving assembly line to the domino theory that led America into Vietnam to the bicycle for the mind that Steve Jobs envisioned as the Macintosh computer analogies have played a dynamic role in shaping the world around us and still do today Analogies are far more complex than their SAT stereotype and lie at the very core of human cognition and creativity Once we become aware of this we start seeing them everywhere in ads apps political debates legal arguments logos and euphemisms to name just a few At their very best analogies inspire new ways of thinking enable invention and motivate people to action Unfortunately not every analogy that rings true is true That's why at their worst analogies can deceive manipulate or mislead us into disaster The challenge Spotting the difference before it's too late Rich with engaging stories surprising examples and a practical method to evaluate the truth or effectiveness of any analogy Shortcut will improve critical thinking enhance creativity and offer readers a fresh approach to resolving some of today's most intractable challenges
