

A photograph of a modern building with a glass facade reflecting the sky and surrounding city. In the foreground, a large, dark, abstract sculpture sits on a white, rectangular pedestal. The sculpture has a rough, textured surface. The building's architecture is contemporary, with sharp angles and large glass panels. The overall scene is set during the day, with natural light illuminating the scene.

Entrepreneurship in the Hospitality, Tourism and Leisure Industries Biswajit Pattajoshi, 2018-10-10 Many standard BOP models have been undergoing radical transformations Newer functioning models with inclusivity with holistic systems approach is the mantra Development has morphed into community leadership and societal fabric building now frames the effect of corporate governance activities on shareholder value Not surprisingly new voices have been calling for reinvention of marketing CEO s cannot get clear compelling answers about marketing s impact on the bottom line The adage of Sam Wanamaker that he knows that 50 percent of his advertisement works but he does not know which half still haunts management Consider the following

Economic liberalisation has given a new impetus to the hospitality industry It costs an average of US 50 80 million to set up five star hotels with 300 rentable rooms in India The gestation period is usually between three and four years Movements in real estate prices have to be watched though they have stabilised in the past three years or so Non five star hotels are obviously cheaper and have smaller gestation periods but international chains are expected to go into the five star category Biswajit Pattajoshi offers not only a candid critique of eradicating poverty through bottom of pyramid spins but more important a clear agenda indeed the Samaritans agenda for meaningful change in end of poverty by immortal brand equity white horse He calls upon leadership to deliver value and solutions not physicality colours He believes that the stalwart must understand their building blocks and operations from finance to supplier partnerships They must co operate and compete on

multidisciplinary teams because BOP model fails whenever any part of greater agenda fails to cohort with great across BOPs are posing titan challenges to manage marketing tornadoes many of which are exemplary spectacles in waves of shareholders Marketing change agents have led to innovative community building indispensability models that track futuristic transformation eradicating poverty establishing peace revolution If community building models take off profits are harnessed by the BOP
