ESSENTIALS OF **GENETICS**

Dr Renu Chauhan

The background of the cover features a complex molecular structure. It includes several clusters of spheres (atoms) connected by lines (bonds). The spheres are colored in shades of red, orange, and green. A prominent feature is a large, green, ribbon-like structure that spirals around the molecular clusters, resembling a DNA double helix. The entire scene is set against a dark, almost black, background with faint, concentric circular lines radiating from the center, creating a sense of depth and scientific focus.
