Essentials Of Modern Business:

Essentials of Contemporary Business Leadership Amy E. Forbes, Craig A. Talmage, 2025-10-01 Essentials of Contemporary Business Leadership provides contemporary tools for the next generation of aspirational leaders to fully meet their potential and optimise group performance The highly experienced authors utilize their own Contemporary Leadership Dimensions model which provides flexible and creative ways to enhance leadership learning The book goes through the components of the model sequentially self leadership people leadership business leadership client leadership and finally community leadership This progressive approach effectively allows readers to build their knowledge and pull threads of learning into the next component of the unique model Each chapter also features cases studies multiple interactive exercises and discussion questions which helps complete understanding from theory to practice This is an ideal text for students starting their leadership journey or for practitioners hoping to improve their leadership and management skills Online resources will include additional exercises to augment learning

Essentials of Modern Business Statistics with Microsoft Excel David Ray Anderson, Dennis J. Sweeney, Thomas Arthur Williams, 2004 This new edition provides a brief introduction to business statistics that balances a conceptual understanding of statistics with the real world application of statistical methodology The latest version of Microsoft Excel is integrated throughout the text showing step by step instructions and screen captures to enhance learning The authors have been writing market leading business statistics textbooks for over 20 years This new edition contains the same learning features that have made ASW products best sellers for years features such as the problem scenario approach and real world examples that introduce statistical techniques
