Shared Entrepreneurship F. Shipper, 2014-08-13 Today's views of leadership and management have significantly expanded to incorporate a variety of elements such as rewards visions and worker participation However most perspectives still view leadership as something that is assigned to a designated person who then exercises influence downward toward subordinate followers In many ways the persistent top down command and control theme that supports established leadership thought and practice prevents organizations from fully tapping into their human resources in turn limiting their flexibility to meet the challenges of increasingly dynamic complex and competitive environments Shared Entrepreneurship replaces the top down approaches of the past with a new framework that draws strengths and innovation from collaboration and sharing This book is divided into two main sections The first section consists of six chapters which provide an in depth overview and discussion of shared entrepreneurship The second section consists of eight original case studies commissioned by the authors featuring such companies as Herman Miller Inc SRC Holdings and W L Gore Associates

Strategy and Resilience Ramon Martinez, 2016-09-27 Strategy and resilience are common terms but most researchers and authors have come up short in defining what they mean and how to achieve them Ramon Martinez a retired lieutenant colonel with the U S Air Force solves that problem with this business guidebook in which he introduces the subjects of business strategy and resilience dispels myths about strategy corrects misconceptions and clarifies what strategy and resilience means shows how guiding principles a vision and a mission are instrumental to doing business in a complex and fast paced world filled with change shares ways to create a strong business strategy so companies can thrive even during tough times and connects it all with a profound yet dynamic discussion on leadership Throughout the book Martinez makes the case that business strategy and resilience work hand in hand Business strategy helps you overcome obstacles to success and resilience allows you to adapt to changes in
