

Event Slavoj Zizek

Felix Budelmann, Tom Phillips

Event Slavoj Žižek:

Event Slavoj Žižek, 2014-08-26 One of the most famous living philosophers provides a philosophical analysis of the meaning of events in this deeply interesting and provocative book. The Guardian: An event can be an occurrence that shatters ordinary life, a radical political rupture, a transformation of reality, a religious belief, the rise of a new art form or an intense experience such as falling in love. Taking us on a trip that stops at different definitions of event, Žižek addresses fundamental questions such as: Are all things connected? How much are we agents of our own fates? Which conditions must be met for us to perceive something as really existing? In a world that is constantly changing, is anything new really happening? Drawing on references from Plato to arthouse cinema, the Big Bang to Buddhism, *Event* is a journey into philosophy at its most exciting and elementary.

Event Slavoj Žižek, 2014-01-30 Probably the most famous living philosopher, Slavoj Žižek explores the concept of event in the second in this new series of easily digestible philosophy. Agatha Christie's *4 50 from Paddington* opens on a train from Scotland to London where Elspeth McGillicuddy, on a way to visit her old friend Jane Marple, sees a woman strangled in a compartment of a passing train, the *4 50 from Paddington*. It all happens very fast and in a blurred vision so the police don't take Elspeth's report seriously as there is no evidence of wrongdoing; only Miss Marple believes her story and starts to investigate. This is an event at its purest and minimal: something shocking that happens all of a sudden and interrupts the usual flow of things, something that appears out of nowhere without discernible causes and whose ontological status is unclear: an appearance without solid being as its foundation. In Christie's novel, the role of Miss Marple is precisely to de-eventalize the event, to explain it away as an occurrence which fits the coordinates of our normal reality. A subject for which there is not yet an agreed-upon definition within philosophy, Slavoj Žižek explores the terrain of this contestable term in a series of short chapters that examine everything from the event as political revolution and the rise of a new art form to the event as religious belief and falling in love. *Event* is a mind-blowing, thrilling, accessible book from arguably our greatest living cultural theorist and philosopher. Slavoj Žižek is a Slovenian philosopher and cultural critic. The author of many books, he has made contributions to political theory, film theory, and theoretical psychoanalysis.

Event Mobilities Kevin Hannam, Mary Mostafanezhad, Jillian Rickly, 2016-03-17 Events from a mobilities perspective attend to moments in which individual networks coalesce in place but are not isolated in their performance as they often foster far-reaching and mobile networks of community. In so doing, individuals travel from varying distances to participate in localized performances. However, events themselves are also mobile and events affect mobility. Mobile events serve as contexts that provide meanings and purpose articulated in relation to and as a series of other social actions. They further highlight the role of the body and embodied practices in the performance of events. Building on Sheller and Urry's 2004 seminal work *Tourism Mobilities*, the purpose of this book is to further develop event studies research within mobilities studies so as to challenge the limitations that dichotomous understandings of home/away, work/leisure, and host/guest play. Simply put, events are always already place.

based and political in the sense that they can both inspire mobility as well as lead to various immobilities for different social groups The title addresses everyday as well as extraordinary events shining an empirical and theoretical lens onto the political economic and social role of events in numerous geographic and cultural contexts It stretches across academic disciplines and fields of study to illustrate the advantages of a mobilities multi disciplinary conversation This groundbreaking volume is the first to offer a conceptualization and theorization of event mobilities It will serve as a valuable resource and reference for event tourism and leisure studies students and scholars interested in exploring the ways the everyday and the extraordinary interlace

Geopolitics and the Event Alan Ingram,2019-08-19 An original exploration of the 2003 Iraq war and geopolitics more broadly through the prism of art Offers a reappraisal of one of the most contentious and consequential events of the early twenty first century Advances an original perspective on Britain s role in the 2003 invasion and subsequent occupation of Iraq Maps out new ways of thinking about geopolitical events through art Examines the work of artists curators and activists in light of Britain s role as a colonial power in Iraq and the importance of oil Reflects on the significance limits and dilemmas of art as a form of critical intervention Questions the implications of art in colonialism and modernity

Queer Events David Vilaseca,2010-01-01 *Queer Events* offers radical new rereadings of crucial texts from the era of the Spanish transition to democracy From Terenci Moix to Vicente Aranda most of the major writers and filmmakers of the time are found here but David Vilaseca also addresses many who deserve to be better known including Antonio Roig controversial scholar Alberto Card n and the directors of the short lived yet vital film movement known as the Barcelona School Drawing on queer theory and the philosophies of Badiou Agamben and Deleuze *Queer Events* reconceptualizes a complex period in Spanish history characterized by discomfort with the past and deep ideological conflict with the present

Event-Space Dorita Hannah,2018-07-11 As the symbolists constructivists and surrealists of the historical avant garde began to abandon traditional theatre spaces and embrace the more contingent locations of the theatrical and political event the built environment of a performance became not only part of the event but an event in and of itself Event Space radically re evaluates the avant garde s championing of nonrepresentational spaces drawing on the specific fields of performance studies and architectural studies to establish a theory of performative architecture Event was of immense significance to modernism s revolutionary agenda resisting realism and naturalism and simultaneously the monumentality of architecture itself Event Space analyzes a number of spatiotemporal models central to that revolution both illuminating the history of avant garde performance and inspiring contemporary approaches to performance space

Textual Events Felix Budelmann,Tom Phillips,2018 In exploring the idea of lyric performances as textual events this volume marks a departure from interpretations of Greek lyric as socio political discourse Building on the renewed concern with the aesthetic it studies poetic effects that cannot be captured in terms of function alone and re examines the relationship between form and context

Sovereignty and Event Calvin D. Ullrich,2021-01-18 In this study Calvin D Ullrich argues for the political significance of

the philosopher theologian John D Caputo's radical theology Against the backdrop of present debates the author traces the notions of sovereignty and event by drawing on the political theology of Carl Schmitt and Caputo's evolving engagement with postmodern thought from its genesis in Martin Heidegger to its deeply involved association with Jacques Derrida Calvin D Ullrich shows that contrary to some misleading interpretations of his religious deconstruction Caputo has always held nascent political concerns which culminate in his radical theology Writing for scholars working in contemporary philosophy and theology this book offers one of the first major in depth analyses covering Caputo's writings of the last four decades and seeks to defend their relevance for discussions responding to ongoing political theological challenges

Approaches and Methods in Event Studies Tomas Pernecky, 2016-05-12 The recent proliferation of events as a subject of study in its own right has signalled the emergence of a new field event studies However whilst the management inspired notion of planned events which strives for conceptual slenderness may indeed be useful for event managers the moment we attempt to advance knowledge about events as social cultural and political phenomena we realise the extent to which the field is theoretically impoverished Event studies it is argued must transcend overt business like perspectives in order to grasp events in their complexities This book challenges the reader to reach beyond the established modes of thinking about events by placing them against a backdrop of much wider critical discourse Approaches and Methods in Event Studies emerges as a conceptual and methodological tour de force comprising the works of scholars of diverse backgrounds coming together to address a range of philosophical theoretical and methods related problems The areas covered include the concepts of eventification and eventual approaches to events a mobilities paradigm rhizomatic events critical discourse analysis visual methods reflexive and ethnographic research into events and indigenous acumen Researchers and students engaged in the study of events will draw much inspiration from the contributions and from the volume as a whole

Protests as Events Ian R Lamond, Karl Spracklen, 2014-11-05 Can activism be considered a leisure activity Can the Occupy movement local campaigns for change and lone acts of personal resistance be understood as events Within the field of Events Management the content of events is generally analyzed within three categories culture sport or business Such a typology can be helpful as a heuristic for interpretation and analysis within a commercial paradigm However this framework overlooks and depoliticizes a significant variety of events those more accurately construed as protest Protests as Events is the first book to explore activism as a leisure activity and protests as events using a fresh interpretation of event to develop a new critical politics of events and leisure Bringing together a range of cutting edge research from around the world it explores a variety of protests through the lens of events studies and leisure in order to understand how the study of events management might be conceptualized in the protest space

Event and Subjectivity: The Question of Phenomenology in Claude Romano and Jean-Luc Marion Kadir Filiz, 2023-12-11 Event and Subjectivity presents a rich phenomenological analysis of the event in contemporary phenomenology by focussing on the work of Claude Romano and Jean Luc Marion Although the event is a

major topic of contemporary philosophy its centrality has not been acknowledged enough in the phenomenological movement The book starts with the idea that the event cannot find a proper place in Husserl's transcendental phenomenology and Heidegger's existential phenomenology It proposes a phenomenological version of the event that transforms the definition of phenomenon subjectivity and phenomenology itself in order to do justice to the phenomenality of the event At the same time Event and Subjectivity is the first book on Claude Romano's understanding of phenomenology in English It also offers a fresh reading of the phenomenology of Jean-Luc Marion by highlighting the phenomenon of the event **Salzburger**

Theologische Zeitschrift. 21. Jahrgang, 1 Ulrich Winkler, 2018-01-30 **Routledge Handbook of Law and Theory**

Andreas Philippopoulos-Mihalopoulos, 2018-08-06 This handbook sets out an innovative approach to the theory of law reconceptualising it in a material embodied socially contextualised and politically radical way The book consists of original contributions authored by prominent academics all of whom provide a valuable overview of legal theory as a discipline The book contains five sections Spatiotemporal Sense Body Text Matter Through this structure the handbook brings the law into active discussion with other disciplines as well as supra disciplinary debates on the areas of spatiality temporality materiality corporeality and sensorial studies capturing the most exciting developments in current legal theory and anticipating future research in the area The handbook is essential reading for scholars and students of jurisprudence sociology of law critical legal studies socio legal theory and interdisciplinary legal studies as well as those people from other disciplines interested in the way the law converses with interdisciplinarity Chapter 12 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Thinking Revolution Through Film** Hanno Berger, 2022-09-20 This book aims to redefine the relationship

between film and revolution Starting with Hannah Arendt's thoughts on the American and French Revolution it argues that from a theoretical perspective revolutions can be understood as describing a relationship between time and movement and that ultimately the spectators and not the actors in a revolution decide its outcome Focusing on the concepts of time movement and spectators this study develops an understanding of film not as a medium of agitation but as a way of thinking that relates to the idea of historicity that opened up with the American and French Revolution a way of thinking that can expand our very notion of revolution The book explores this expansion through an analysis of three audiovisual stagings of revolution Abel Gance's epic on the French Revolution Napoleon Warren Beatty's essay on the Russian Revolution Reds and the miniseries John Adams about the American Revolution The author thereby offers a fresh take on the questions of revolution and historicity from the perspective of film studies **A Dutch Republican Baroque** Frans-Willem

Korsten, 2018-01-23 This study offers a new and systematic approach towards the interactions among the notions of theatricality dramatisation moment and event **Crowd-Sourced Syllabus** Leanne McRae, 2020-12-04 Curating the

contributions of Twitter users via hashtags crowd sourced syllabi respond to evolving crises and critical questions in real

time resulting in living materials for educators and students This book showcases how these syllabi are filling a gap in educational efficacy by providing access to forgotten hidden and unpopular resources

Theatre in Transformation Wolfgang Schneider, Lebogang L. Nawa, 2019-01-23 Are artists seismographs during processes of transformation Is theatre a mirror of society And how does it influence society offstage To address these questions this collection brings together analyses of cultural policy in post apartheid South Africa and actors of the performing arts discussing political theatre and cultural activism Case studies grant inside views of the State Theatre in Pretoria the Market Theatre in Johannesburg and the Baxter Theatre in Cape Town followed by a documentation of panel discussions on the Soweto Theatre The texts collected here bring to the surface new faces and voices who advance the performing arts with their images and lexicons revolving around topics such as patriarchy femicide and xenophobia

Ubiquity Jacob W. Lewis, Kyle Parry, 2021-12-15 From its invention to the internet age photography has been considered universal pervasive and omnipresent This anthology of essays posits how the question of when photography came to be everywhere shapes our understanding of all manner of photographic media Whether looking at a portrait image on the polished silver surface of the daguerreotype or a viral image on the reflective glass of the smartphone the experience of looking at photographs and thinking with photography is inseparable from the idea of ubiquity that is the apparent ability to be everywhere at once While photography's distribution across cultures today is undeniable the insidious logics and pervasive myths that have governed its spread demand our critical attention now more than ever

New Media and the Politics of Online Communities, 2020-09-25 This interdisciplinary collection of papers explores the question of identity and its interaction with digital technologies online platforms and primarily new media

Iconic Events Patricia Leavy, 2007-06-07 Iconic Events Media Power and Politics in Retelling History examines the processes of collective memory surrounding traumatic events that have been deemed iconic in American culture Leavy investigates the social and market forces that have shaped the meanings around and enduring significance of events that have captured the public's imagination including Titanic Pearl Harbor Columbine and September 11th Iconic Events focuses on three interpretive phases that serve to mold public perception of these events journalistic representations political appropriations and popular adaptations With a vital engaging approach Leavy explores the processes by which traumatic events are made mythic in the public eye Iconic Events is essential for collective memory scholars and undergraduate courses in communications American studies history and sociology as well as the general reader

Event Slavoj Zizek Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Event Slavoj Zizek PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and

effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Event Slavoj Zizek PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Event Slavoj Zizek free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Event Slavoj Zizek Books

What is a Event Slavoj Zizek PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Event Slavoj Zizek PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Event Slavoj Zizek PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Event Slavoj Zizek PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Event Slavoj Zizek PDF?** Most PDF editing software allows you to add

password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
