**Hour of the Witch** Steve Wohlberg, 2005 Millions of children across the globe are enjoying the magical adventures of Harry Potter Are these harmless fantasies or is a sinister spirit lurking behind the best selling books Hour of the Witch Harry Potter Wicca Witchcraft and the Bible scrutinizes these popular tales from a spiritual standpoint Sorcery and the supernatural are essential to Harry Potter s escapades and parents should consider how all this wizardry influences their kids Does being immersed in images of witchcraft have a lasting impact on an impressionable mind Beyond this real Wicca Witchcraft is growing rapidly among teens Is Harry Potter fueling Wiccan growth learn the truth behind Harry Potter and how to protect your children from being bewitched

**The Bible, Its Author, and the People Within** Jeffrey J. Hamilton, 2023-10-28 The Bible Its Author and the People Within will not only challenge you to take a good hard look at the things you ve learned throughout your Christian walk but will also teach you how to read the Bible It will then introduce you to the God of creation as well as many of the traditions customs and practices of the people dwelling within the ancient world The subject matter covered within these pages includes Israel s religious festivals the betrothal and wedding ceremony the bearing rearing and education of children the various occupations of the day the mourning preparation and burial of the dead as well as the hereafter Now you may be thinking Is this book something I should take the time to read Well that depends If you re someone who s willing to have your presuppositions and dearly held traditions challenged by God s Word you should read it If you re someone who s willing to deviate from the beaten path and follow the text of Scripture wherever it leads you should read it If you re someone who s willing to consider a perspective other than your own then yes you should read it If not then quite frankly you shouldn t Whether you re a thirty year veteran of the faith or a believer of only a few hours this book can greatly benefit you if you re willing to first read it and then further investigate its claims Generally speaking the way you interact with life depends on your perception of the world around you And as they say perception is reality But the problem with that is that a westerner s reality is not the reality of the easterner As a student of God s Word the only way you can benefit from what you read is to consider the culture the rituals the customs the traditions and the practices of those

living within the biblical world Unfortunately more often than not this is the exception to the rule As westerners our tendency is to impose our worldview on to the text of Scripture This book will afford you the opportunity to get into the minds of the biblical writers While this book deals with some of the most common religious and social practices of the Israelites Building a Framework the second book focuses on the establishment of a divine council the history of creation the sin of the Watchers the birth of the giants Noah s flood the disinheriting of the inhabitants of the earth the calling of Abram the planting of Israel s heavens and earth along with their history the ministry of Christ the reclaiming of the nations and the destruction of Jerusalem and the temple in A D 70 The third book in this series Digging Deeper utilizes a handful of principles needed to accurately interpret the Scriptures This series of books is very easy to read These books are written in such a way that you should have no difficulty understanding the message conveyed Although there are several theological terms sprinkled throughout these works they are thoroughly explained for a better understanding of the Bible s meaning Additionally the majority of the biblical passages utilized within these books are written out for your convenience The reason for this is simple First of all it minimizes the need for having to stop and look up each citation But more importantly it presents a biblical case for the assertions and conclusions drawn within each book I have to the best of my ability searched God s Word for the truth If you find what I have found then build on it and share it with others Assume nothing You have the responsibility to study the Scriptures for yourself and draw your own conclusions Book Review 1 For many years after being saved by our Lord Jesus Christ my wife and I read through the Bible every day and missed a lot of crucial things that we were trained not to think about We were trained not to see the big picture by the traditional churches and the bible studies we attended Many issues like timing audience relevance misunderstanding of how to make correct interpretations to name a few were placed in the back of our minds as if they were forbidden things to study It s Okay to be a Christian and Think finally liberated our minds because it taught us about critical thinking interpreting the Bible with the Bible and how without the correct time frame and audience relevance perspective everything we knew would easily crumble to the ground I dare you to seek the Scriptures without the presuppositions perpetuated for generations in the church John 5 39 44 NKJV says You search the Scriptures for in them you think you have eternal life and these are they which testify of Me But you are not willing to come to Me that you may have life I do not receive honor from men But I know you that you do not have the love of God in you So search the Scriptures but do not be afraid to think Miguel Elena Alonso Book Review 2 I am so thrilled and grateful that Jeff Hamilton has tirelessly put this book together because I m anxious to share it with my friends and family near and far For the past twenty some odd years I ve had the privilege of Jeff sharing his wisdom and the principles of interpretation that are key to understanding God s redemptive message I spent years trying to read the Bible only to lay it down each time frustrated with unanswered questions or confused that it appeared some things conflicted with other things Jeff has an effective systematic approach to teaching these principles that simplifies without dumbing down the rich context of the Bible With his help and

His help I don't see any Scripture conflicting with any other now. Granted I wanted to flee from some of his studies because he was introducing something I couldn't believe was in the Bible. But he had never failed to prove these claims in the past so I knew I was about to be even more amazed at God's Word. If you take the time to read Jeff's books, be prepared to approach your studies with new fervor. Cindy and Joe Bailey

**Faith of the Ages** Richard Rhoades, 2012-11 For centuries most Christians have believed that Jesus was a fair-skinned blue-eyed Gentile and that because the New Testament was written in Greek the study of its Greek roots should take priority over the study of the Hebrew Scriptures. In recent decades those conceptions have begun to change. Jewish and Christian scholars have engaged together in examining the Jewishness of Jesus, the Hebrew origins of Christianity and the Hebraic origins of Scripture with renewed interest. In *Faith of the Ages* author Richard Rhoades explores the Jewishness of Jesus, the first-century community of believers and when, where, how and why early Christian leaders rejected those Hebraic origins. *Faith of the Ages* investigates the origins of the Christian Church and looks at the anti-Semitism of the Greek and Latin Church fathers, the Roman Emperor Constantine, Roman Catholic Church authorities and leaders of the Reformation who all played a major role in moving Christianity away from its Hebraic roots. Rhoades also examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts. Simply stated, *Faith of the Ages* answers questions about the Jewishness of Jesus, the first-century community of believers, the Hebraic roots of the Christian faith and its rich Hebrew heritage and provides a compelling historical and biblical impetus for believers to reexamine their Christian faith.

**Lady Liberty** Richard N. Rhoades, 2013-07-10 The Statue of Liberty holds a special place in the hearts of Americans, the people of France and freedom lovers throughout the world. But up until now the full story behind its origins has not been told. Author Richard N. Rhoades peels back the mystery surrounding the icon, explaining how French sculptor Frederic Auguste Bartholdi looked to a Roman goddess to serve as the model for the statue. On Oct 28 1886 at the unveiling ceremony President Grover Cleveland praised Bartholdi's goddess statue as greater than all that have been celebrated in ancient song. But Rhoades goes beyond the historical data and examines the statue's pagan origins by analyzing Scripture. He establishes that the most revealing chroniclers of the Statue of Liberty were the Hebrew prophets who predicted the building and setting of an image of the Great Goddess of the ancient world on her own pedestal in a latter-day country code-named the land of Shinar. Discover the real origins of the Statue of Liberty, its adoption by the American people as a national icon and its historical and biblical significance in *Lady Liberty: The Ancient Goddess of America*.
