Fairest of All-Villains, Book 1 Disney Books,2009-08-18 Examines the life of Snow White s stepmother the Wicked Queen to find out just what it is that makes her so evil that she would want to cut out her teenage step daughter s heart and have it delivered in a locked keepsake box Fairest of All Serena Valentino,2017 Gender and Female Villains in 21st Century Fairy Tale Narratives Natalie Le Clue,Janelle Vermaak-Griessel,2022-02-11 For every hero there is a villain and for every villain there is a story But how much do we really know about the villain Filling a gap in the field of gender representation and character evolution the chapters in this edited collection focus on female villains in the fairy tale narratives of 21st Century media Fairest of All, a Tale of the Wicked Queen Serena Valentino,2016 *Literature for Young Adults* Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

The Fairy Tale Book Buster Books,2010-10-22 Fairy tales passed down by word of mouth have captivated and entertained generations of children and their parents Today reading these traditional tales aloud is still the best way to enjoy them and a great way to spend quality time with children **A History of Pantomime** Maureen Hughes,2020-01-31 Each Christmas entire families in the UK troop off to see what one could almost say is the obligatory annual entertainment known as Pantomime It is a traditional seasonal way of life for the British envied the world over and one which only the British seem to understand Pantomime serves both to entertain and to introduce each new generation to the joys of theatre in the most unique of ways for this is not a type of theatre one merely watches but one in which the audience participate often in the most seemingly boisterous and bizarre of ways The whole experience is steeped in tradition traditions which only the British seem to understand which is probably why we are proud to call it a British Experience In A History of Pantomime Maureen Hughes takes a brief look at the history of Pantomime as well as taking a humorous look at some of the above mentioned

traditions she also gives a synopsis of each of the well known Pantomimes whilst exploring the eccentric world of the characters who appear in them There is also a short piece on just some of the most well known and loved of the actors who each Christmas take on the part of Pantomime Dames across the UK as well as a look at others who have contributed to this magical world of fun and eccentricity It is thought by some to be frivolous and pointless piece of theatre but a browse through this informative book and you will soon find that Pantomime is an art form all of its own requiring the most dedicated and talented of actors actresses who are prepared to honour and perpetuate this wonderful tradition as it is passed down from one generation to the next As seen in The Telegraph and the Sunday Post Glasgow **Grimm's Household Tales**
