Affectual Erasure Cynthia Margarita Tompkins, 2018-08-23 Affectual Erasure examines how Argentine cinema has represented Indigenous peoples throughout a period spanning roughly a century Cynthia Margarita Tompkins interrelates her discussion of films with the ethnographic context of the Indigenous peoples represented and an analysis of the affective dimensions at play These emotions underscore the inherent violence of generic conventions as well as the continued political violence preventing Indigenous peoples from access to their ancestral lands and cultural mores Tompkins explores a broad range of movies beginning in the silent period and includes both feature films and documentaries underscored by archival and contemporary film stills She traces the initial erotic projection moving through melodrama to the conventions of the Western into the 1960s focus on decolonization superseded by allegorical renditions and the promise of self expression in late twentieth century documentaries Each section includes an introduction to the sociohistorical events of the period and their impact on film production Analyzed chronologically the films evidence different stages in the projection of the hegemonic Argentine imaginary which fails to envision the daily life of Indigenous peoples prior to conquest or in colonial times and remains in denial of their existence in the present

A New Reference Grammar of Modern Spanish, 4th Edition John B. Butt, John Butt, Carmen Benjamin, 2014-02-04 This text provides a comprehensive guide to the forms and structures of the Spanish spoken and written in Spain and Latin America Examples have been introduced drawing on contemporary Spanish and Latin American usage

A New Reference Grammar of Modern Spanish John Butt, Carmen Benjamin, 2012-12-06 abridged and revised This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century Spanish is the main usually the sole official language of twenty one countries and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers This vast geographical and political diversity ensures that Spanish is a good deal less unified than French German or even English the latter more or less internationally standardized according to either American or British norms Until the 1960s the criteria of internationally correct Spanish were dictated by the Real Academia Espanola but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortografia* which were supposed to come into force in all Spanish speaking countries in 1959 and nearly forty years later are still selectively ignored by publishers and literate persons everywhere The fact is that in Spanish correctness is nowadays decided as it is in all living languages by the consensus of native speakers but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent widely scattered and sometimes mutually hostile countries Peninsular Spanish is itself in flux

Una asesina en el espejo Andrea Aguilar-Calderón, 2024-02-22

La aparición de un misterioso manuscrito reabre un caso cerrado hace décadas. El culpable está cerca, mucho más de lo que pensamos. El fervor religioso, el arte surrealista y la literatura se dan la mano hasta límites insospechados en este debut sorprendente. Un asesino utiliza los cadáveres de sus víctimas para realizar montajes reales a escala natural de pinturas surrealistas. Esta serie de brutales asesinatos que quedaron sin resolver hace veinticinco años vuelven a la luz al aparecer una hipótesis que nadie tuvo en cuenta. La nueva teoría se despliega en un manuscrito que aparece en las oficinas centrales del Poder Judicial. Nadie sabe quién lo escribió pero la historia que relata parece la única que puede explicar por qué desaparecieron Irene García Valenzuela, principal sospechosa, y la agente Ana María González Foy y por qué de hecho sus cuerpos jamás podrán encontrarse. En este debut sorprendente, el fervor religioso, el arte y
