Entrepreneurial Smarts Diane Bailey,2012-12-15 It s a huge step for a person to decide to start their own business Whether it s a small babysitting business or a corporation the principles remain the same Readers explore the ins and outs of entrepreneurship from finding ways to finance business dreams to how to grow business in a difficult economic climate *Entrepreneurial Finance* Miranda S. Lam,Gina Vega,2015-07-16 Entrepreneurial Finance Concepts and Cases addresses issues that are often overlooked in traditional finance textbooks namely how to handle the unique financial challenges faced by start ups and small businesses The book is structured around seven modules or building blocks designed to be taught across a full semester with natural break points built into each chapter within the modules The building blocks present macro concepts which are explored in greater detail in each of the chapters A starting chapter provides guidance about the use of cases for students and a concluding chapter delivers information about how to win business plan competitions Each concept is illustrated by a short case and followed by thoughtful questions to enhance learning The cases previously unpublished are written by an international group of experienced case writers from the field of finance and deal with real companies real problems and

currently unfolding issues A case teaching manual geared to finance in general and short cases in particular is provided for the instructor and includes specific tips techniques and activities for each case in the text Written for upper level undergraduate students of entrepreneurship this highly accessible book breaks down complex concepts and includes hands on cases and exercises making learning a breeze Entrepreneurship: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2017-03-15 Continuous improvements in business environments and available resources have allowed more opportunities for people to pursue new ventures This not only leads to higher success in new businesses but it enhances the overall state of the global market Entrepreneurship Concepts Methodologies Tools and Applications provides a comprehensive examination on the latest innovations and techniques to becoming a successful and sustainable entrepreneur Including research based studies on knowledge production social entrepreneurship and distribution this multi volume publication is an ideal source for practitioners academicians researchers and upper level students interested in learning about entrepreneurship and seeking emerging perspectives on optimizing and enhancing entrepreneurial pursuits **Imbibe Entrepreneurship** Kingsley Chinedu Nnanweuba, 2014-02-06 Others have searched it is your job to research that is why you are a Researcher These are the words of my Business Ethics and Law MBA Lecturer He will further say Research is like building a brick wall but you cannot build it all alone Your job as a researcher is to put a piece of brick your work on the wall knowledge while others will continue to place theirs With this in perspective I cannot cover everything in this book though I wish I could I will not claim that the content of this book is totally something new However I will call it an innovation from my several years of studying already existing literatures lessons from the lives of successful entrepreneurs lectures during bachelors of business classes MBA classes personal studies interactions with entrepreneurs and my personal experience Entrepreneurship is the solution to the economic and political instability in Africa I have not seen a successful nation where the government succeeded in providing everything for its people But great economies of the world ride on the back of entrepreneurship Entrepreneurs control the world and its government Their ways are always adhered to because they are job creators but it is very important to mention that above job creation they are problem solvers as well as solution providers Some successful entrepreneurs were mentioned or quoted in this book men and women who made things happen in spite of difficult situations And if they can do it out of worst case scenarios what is your excuse What I planned to achieve with this book is not to make it an authority or personification of knowledge in entrepreneurship Rather this book was written with the understanding that reading it is not equivalent to offering professional services to you With the knowledge got from the book you might as well seek professional services in the areas of your concern Success is impacting your world with the investment of your personality That is what I hope to achieve by writing this book to impact my world with what I believe and have invested myself in on and with for years Note Although there are many mentions of Africa and Nigeria in this book the knowledge can be applied in any part of the world and it will
