Park documents the emergence of cultural differences and tensions between Koreans from the North and South as well as new transnational kinship practices that connect family members across the Korean Demilitarized Zone As a South Korean citizen raised outside the peninsula and later drafted into the military Park weaves in autoethnographic accounts of his own experience in the army to provide an empathetic and vivid analysis of the multiple overlapping layers of violence that shape the embodied experiences of belonging He asks readers to consider why North Korean resettlement in South Korea is a difficult process despite a shared goal of reunification and the absence of a language barrier The book is essential reading for anyone interested in anthropology migration and the politics of humanitarianism *Rewriting Revolution* Immanuel

Kim,2018-04-30 North Korea the Democratic People s Republic of Korea DPRK is firmly fixed in the Western imagination as a barbaric vestige of the Cold War a rogue nation that refuses to abide by international norms It is seen as belligerent and oppressive a poor nation bent on depriving its citizens of their basic human rights and expanding its nuclear weapons program at the expense of a faltering economy Even the North s literary output is stigmatized and dismissed as mere propaganda literature praising the Great Leader Immanuel Kim s book confronts these stereotypes offering a more complex portrayal of literature in the North based on writings from the 1960s to the present The state seeking to write revolution prescribes grand narratives populated with characters motivated by their political commitments to the leader the Party the nation and the collective While acknowledging these qualities Kim argues for deeper readings In some novels and stories he finds the path to becoming a revolutionary hero or heroine is no longer a simple matter of formulaic plot progression instead it is challenged disrupted and questioned by individual desires decisions doubts and imaginations Fiction in the 1980s in particular exhibits refreshing story lines and deeper character development along with creative approaches to delineating women sexuality and the family These changes are so striking that they have ushered in what Kim calls a Golden Age of North Korean fiction *Rewriting Revolution* charts the insightful literary frontiers that critically portray individuals negotiating their political and sexual identities in a revolutionary state In this fresh and thought provoking analysis of North Korean fiction Kim looks past the ostensible state propaganda to explore the dynamic literary world where individuals with human emotions reside His book fills a major lacuna and will be of interest to literary scholars and historians of East Asia as well as to scholars of global and comparative studies in socialist countries **Dictator's Handbook** Randall Wood,Carmine

The Great Leader and the Fighter Pilot Blaine Harden, 2016-03-29 Examines how Kim Il Sung grabbed power and plunged his country into war against the United States while the youngest fighter pilot in his air force was playing a high risk game of deception and escape As Kim ascended from Soviet puppet to godlike ruler No Kum Sok noisily pretended to love his Great Leader That is until he swiped a Soviet MiG 15 and delivered it to the Americans not knowing they were offering a 100 000 bounty for the warplane the equivalent of nearly one million dollars today

Sundays at Eight Brian Lamb, C-SPAN, 2014-04-29 For the last 25 years Sunday nights at 8pm on C SPAN has been appointment television for many Americans During that time host Brian Lamb has invited people to his Capitol Hill studio for hour long conversations about contemporary society and history In today s soundbite culture that hour remains one of television s last vestiges of in depth civil conversation First came C SPAN s Booknotes in 1989 which by the time it ended in December 2004 was the longest running author interview program in American broadcast history Many of the most notable nonfiction authors of its era were featured over the course of 800 episodes and the conversations became a defining hour for the network and for nonfiction writers In January 2005 C SPAN embarked on a new chapter with the launch of Q and A Again one hour of uninterrupted conversation but the focus was expanded to include documentary film makers

entrepreneurs social workers political leaders and just about anyone with a story to tell To mark this anniversary Lamb and his team at C SPAN have assembled Sundays at Eight a collection of the best unpublished interviews and stories from the last 25 years Featured in this collection are historians like David McCullough Ron Chernow and Robert Caro reporters including April Witt John Burns and Michael Weisskopf and numerous others including Christopher Hitchens Brit Hume and Kenneth Feinberg In a March 2001 Booknotes interview 60 Minutes creator Don Hewitt described the show s success this way All you have to do is tell me a story This collection attests to the success of that principle which has guided Lamb for decades And his guests have not disappointed from the dramatic escape of a lifelong resident of a North Korean prison camp to the heavy price paid by one successful West Virginia businessman when he won 314 million in the lottery or the heroic stories of recovery from the most horrific injuries in modern day warfare Told in the series signature conversational manner these stories come to life again on the page Sundays at Eight is not merely a token for fans of C SPAN s interview programs but a collection of significant stories that have helped us understand the world for a quarter century

North Korea, 2009-2012 Ian Jeffries, 2013 North Korea continues to be a country of great concern internationally where future developments are uncertain especially as a result of the succession to the leadership of Kim Jong un following the death of Kim Jong il It is also a country which is relatively unknown and relatively little studied This book provides a comprehensive detailed survey of economic and political developments in the last few years As such it provides many insights into the current trends which are likely to shape the country s future direction

Dying for Rights Sandra Fahy, 2019-09-10 North Korea s human rights violations are unparalleled in the contemporary world In Dying for Rights Sandra Fahy provides the definitive account of the abuses committed by the North Korean state domestically and internationally from its founding to the present Dying for Rights scrutinizes North Korea s treatment of its own people as well as foreign nationals how violations committed by the state spread into the international realm and how North Korea uses its state media and presence at the United Nations Fahy meticulously documents the extent of arbitrary detention torture executions and the network of prison camps throughout the country The book details systematic and widespread violations of freedom of speech and of movement freedom from discrimination and the rights to food and to life Fahy weaves together public and private testimonies from North Koreans resettled abroad as well as NGO reports the stories and facts brought to light by the United Nations Commission of Inquiry into North Korea and North Korea s own state media to share powerful personal narratives of human rights abuses A compassionate yet objective investigation into the factors that sustain and perpetuate the flouting of basic rights Dying for Rights reveals the profound culpability of the North Korean state in the systematic denial of human dignity

For Fuhrer and Fatherland Roderick de Normann, 2009-09-21 For Fuhrer and Fatherland is the extraordinary story of how British and American Intelligence thwarted a wartime plan for a daring mass break out of German prisoners of war from the PoW camp at Devizes in Wiltshire led by a hard core of SS troops As December 1944 drew to a close trained US

interrogators stumbled on a plan so fantastic in concept that it was hard to take seriously The Interrogation Centre operatives broke the wills of the prisoners involved and got to the bottom of the story With their escape plan in tatters the SS took their revenge and tried and murdered one of their fellow prisoners who was accused of betraying the Fuhrer Despite the SS code of silence those involved were brought to justice and hanged at Pentonville Prison in October 1945 In this book the author asks the questions Why was Devizes Camp so woefully unprepared for a possible break out Why were the SS allowed to continue their reign of terror on British soil Why did the Government of the day try to cover up the events **The**
