Learning to Silence the Mind

Osho,2012-08-21 One of the twentieth century s greatest spiritual teachers will show you how to quiet your constant worrying thoughts in Learning to Silence the Mind Wellness Through Meditation The mind says Osho has the potential to be enormously creative in dealing with the challenges of everyday life and the problems of the world in which we live The difficulty however is that instead of using the mind as a helpful servant we have largely allowed it to become the master of our lives Its ambitions belief systems and interpretations rule our days and our nights bringing us into conflict with minds that are different from ours keeping us awake at night rehashing those conflicts or planning the conflicts of tomorrow and disturbing our sleep and our dreams If only there was a way to switch it off and give it a rest Finding the switch that can silence the mind not by force or performing some exotic ritual but through understanding watchfulness and a healthy sense of humor is meditation A sharper more relaxed and creative mind one that can function at the peak of its unique intelligence is the potential The book includes a link to tutorials on OSHO Nadabrahma Meditation Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Osho,2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century s greatest spiritual teachers One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realizing one s individual potential Osho s The Power of Love What Does It Take for Love to Last a Lifetime helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by
