

The background of the cover is a classical painting depicting four musicians in Baroque attire. In the foreground, a man with long, dark, wavy hair is seated, looking down at a large, open book. Behind him, three other figures are visible: a woman on the left, a man in the center, and another man on the right. They are all dressed in rich, dark clothing with white lace and ruffles. The lighting is dramatic, with strong highlights and deep shadows, characteristic of Baroque art.

Music in Golden-Age Florence, 1250-1750

Anthony M. Cummings, 2023-05-10 A comprehensive account of music in Florence from the late Middle Ages until the end of the Medici dynasty in the mid eighteenth century Florence is justly celebrated as one of the world s most important cities It enjoys mythic status and occupies an enviable place in the historical imagination But its musico historical importance is not as well understood as it should be If Florence was the city of Dante Michelangelo and Galileo it was also the birthplace of the madrigal opera and the piano Music in Golden Age Florence 1250 1750 recounts Florence s principal contributions to music and the history of how music was heard and cultivated in the city from civic and religious institutions to private patronage and the academies This book is an invaluable complement to studies of the art literature and political thought of the late medieval and early modern eras and the quasi legendary figures in the Florentine cultural pantheon
