Privitera, 2010-04-28 The American Psychiatric Foundation Manfred Guttmacher Award Winner for 2012 Workplace Violence in Mental and General Health Settings provides clinicians health care administrators law enforcement professionals and educators with an easily accessible cross disciplinary approach to preventing and controlling violence in the workplace This book condenses the vast literature available on workplace violence and renders it operational allowing readers to rapidly digest important concepts and put them into action in real world settings Workplace Violence in Mental and General Health Settings draws on knowledge from fields beyond medicine to provide a comprehensive resource on everything from organizational and emergency room violence to self defense

techniques for the health care professional More than any other this book guides the reader from theory to practical application of prevention and management methods in the workplace Key Features An explanation of violence terminology to enhance readability New information on how workplace violence affects quality of care Steps to manage high volume emergency room violence Specific training protocol to prevent workplace violence A free CD Rom containing sample workplace violence guidelines powerpoints internet links and more **Psychopathy in the Workplace** Marie-Line

Germain,2024-04-25 The onset of the pandemic has placed a greater emphasis on mental health with many organizations making it a business imperative to ensure that employees are fully supported Research on mental health in the workplace continues to grow though there is a dearth of scholarly writings taking a micro approach to understanding the impact of negative work environments This three book series explores issues related to personality disorders and work related suicides and the effect on employees and leaders This volume focuses on the harmful effects of psychopathy in the workplace The book is divided into three sections defining psychopathy identifying it through its effects on workplace productivity and performance and understanding how that knowledge can limit its effect With chapter contributions from authors around the world this collection offers global perspectives on the harmful role that psychopathy can play in the workplace Tackling topics such as abusive supervision and workplace bullying this book will advance scholarship related to employee well being employee engagement and counterproductive workplace behaviors **Teaching Technology in Libraries** Carol

Smallwood,Lura Sanborn,2017-02-06 Libraries are charged with fostering new skills and capabilities a challenging task in an era of rapid technological change Developing new ways of teaching and learning within budget and time constraints is the key to keeping up to date Written by librarians this collection of new essays describes an array of technology outreach and instruction programs from the theoretical to the practical for public academic and school libraries based on case studies and discussions of methodology Content includes out of the box lessons outreach successes and technology instruction programs applicable to patrons and staff at public academic and school libraries **How to Transform Workplace Bullies into**

Allies Jacqueline A. Gilbert,2020-04-01 The rash of bullying incidents within schools universities and workplaces has prompted a public outcry and a call to action To address the growing problem of interpersonal violence schools have engaged in anti bullying rallies businesses have enacted civility policies states have passed legislation and efforts have been made to educate individuals on what constitutes good behavior Increasingly institutions are realizing from a cost benefit perspective that a hurtful environment can negatively impact their bottom line Correspondingly the rising number of climate surveys to address bullying at work is a testament to the importance of this topic and its potential negative impact Colleges and universities confirm the need to create a more welcoming culture as reflected in the current dialogue to promote civility Publisher offerings in business ethics are inadequate to address this issue as they focus on the importance of social responsibility and the fallout from moral turpitude There is a pressing need for materials that will educate students on civil

concepts and provide them with applied learning Institutions of higher education would like to inform students about bullying its ramifications and how it can be avoided but a compendium of related exercises is in most cases non existent To solidify student learning about positive citizenship an established author and anti bullying activist has proposed How to Transform Workplace Bullies into Allies This unique groundbreaking text will provide hands on experiential exercises that will engage students with the material and create a multi dimensional focus to enable concept retention Considered a hallmark of applied education learning by doing will be this book s primary emphasis Exercises are designed to sharpen critical thinking immerse students in real world dilemmas and provide them with tools for conflict resolution The emotional intelligence promoted by working through in text scenarios is a soughtafter employee trait one that is desired by classmates and career centers alike Unfortunately people skills at work have long been ignored in traditional college curricula As a result schools are creating graduates who possess technical know how but not the skill set to effectively navigate personal encounters The soft skills of people savvy which have been deemed crucial to employee success are in large part absent from college offerings By navigating carefully constructed scenarios web quests learning modules and teachable moments readers will develop a keen awareness of what it takes to be a respectful person Moreover they will gain expertise in what has been deemed a critical skill set by many organizations including the Society for Human Resource Management Exercises to strengthen incivility awareness are designed not only to prevent potential conflict but to create change agents within the business arena Completion of this workbook will provide people with a competitive advantage and their institution and workplace with a more courteous populace
