**Wir töten die halbe Menschheit - und es wird schnell gehen** Eileen DeRolf, Jan van Helsing, 2020-04-03 Jetzt machen sie Ernst Corona ist erst der Anfang China wird eine Erk ltung bekommen Diese Epidemie soll sich dann ber die ganze Welt ausbreiten entweder als Rache der Chinesen oder weil der Virus mutiert ist und die Menschen generell dezimieren um zirka 50 Prozent Britischer Hochgradfreimaurer im Gespr ch mit Bill Ryan Project Camelot 2010 ber die Jahrzehnte haben verschiedene Autoren ber die kommende Neue Weltordnung geschrieben und dar ber dass eine kleine Elite haupts chlich Privatbankiers die Welt an sich rei en und alles privatisieren will Die Corona Epidemie ist ein geschickt genutztes Werkzeug einen Finanzcrash zu tarnen Bargeld zu entziehen Zwangsimpfungen und m glicherweise auch ein Chippen von Menschen zu erwirken und dabei noch richtig Kohle zu machen Und es gibt einen Plan Zum einen gibt es den f r die Menschheit der Zukunft die auf mindestens die H lfte reduziert werden soll Manche sind dabei noch drastischer Die Georgia Guide Stones schlagen eine Reduzierung auf 500 Millionen vor David Foreman von Earth First sogar auf 100 Millionen Wie sie das machen werden und wen sie als erstes im Visier haben erfahren Sie in diesem Buch Die Neue Weltordnung selbst wird u a ber die Agenda 21 und Agenda 2030 im links gr nen Gewand eingef hrt Dies schildert die Aktivistin Eileen DeRolf am Beispiel der USA in aller Ausf hrlichkeit und zeigt auf wie man still und heimlich die Infrastruktur f r ein neues Wirtschaftssystem auf Grundlage von Private Public Partnerships aufbaut um das freie Unternehmertum zu ersetzen und die Besitzer von Eigenheim sowie Grund und Boden nach und nach zu enteignen All das geschieht unter dem Deckmantel von Umweltschutz und Nachhaltigkeit Um diese Privatisierung der Welt und die historischen Hintergr nde derselben besser verstehen zu k nnen hat Jan van Helsing mit dem Insider Hannes Berger und dem Climate Engineering Spezialisten Andreas Ungerer im Anhang ein langes Interview gef hrt welches folgende Themen beinhaltet Staaten werden Firmen K nstlicher Corona Virus Handel der Geburtsurkunde an der B rse Donald Trumps und Putins Rollen in diesem Spiel 5G Netz Wetterkrieg Und sie behandeln die Frage ob alles so kommen muss und nicht vielleicht doch noch eine L sung in Sicht ist *Soul Breathing* Carrie L'Esperance, 2016-05-17 An exploration of the multidimensional interplay between body mind and spirit Identifies the frequencies that support life and the dissonant frequencies incompatible with life such as the imbalances of EMFs Explains how to cultivate higher consciousness by building a strong light body Includes techniques and exercises for psychic cleansing physical and emotional detox chakra and aura strengthening and oracular dreaming Civilization has reached a critical threshold in time unlike any other Whether life continues to evolve or devolve depends upon our ability to reach higher states of consciousness en masse This requires calling upon the transformative power of the soul a power not handed to us but earned We are living proof that the physical and spiritual realms of existence work together in unity Yet for many of us our natural soul light and inner spiritual intuition are suppressed due to the distractions of day to day living and the electromagnetic pollution of our screen filled technological world In this exploration of the multidimensional interplay

between the body mind and spirit Carrie L Esperance reveals how we can restore the flow of spiritual light in everyday living through the art of self mastery She explains how technology has severely reduced humanity s natural abilities and spiritual power She shows how EMFs and wi fi toast our energetic bodily systems and suppress our immune systems blocking the ethereal frequencies of light and suppressing our creative intuition and higher powers Detailing the spiritual bio geometry of light and the holographic principle she explores how the cells of our bodies receive light s deeper vibratory frequencies to support conscious evolution and soul development as well as explaining near death and out of body experiences She identifies the dissonant energies that endanger mind body health and reveals new advances in brain science that allow us to transcend the malign influences that hamper human evolution She provides exercises and techniques for spiritual alignment and receptivity including psychic cleansing physical and emotional detox chakra and aura strengthening and oracular dreaming Preparing us for the new cosmology and the greater community of worlds that is being revealed L Esperance shows that when we are properly connected with our soul s intelligence and cultivate the reception of higher frequencies of consciousness then we are able to soul breathe to absorb more pranic energy the electromagnetic force and cosmic radiation that is the sustaining element of all life and consciousness I Could Have Been One (HB) Donald Wm. Jeffries,2021-09-10 I

Could Have Been One HB By Donald Wm Jeffries I Could Have Been One provides a look into the world Donald Wm Jeffries was born into raised and grew up in through historical and political events of his life We examine the world starting in the 1940s through our modern day and see how life was and what has changed The history in which Jeffries has lived through has had a remarkable impact on his life and worldview and we see this develop and change throughout the course of his journey As the future comes speeding into view with his lessons from the past we can start asking ourselves how we got here what will become of our children s generation and their children s and where are we headed By beginning this discussion we can have a better understanding of our current situation and face our realities hopefully making better brighter decisions for the future

**Servitors of Empire** Darrell Hamamoto,2014-08-01 Forcing a fundamental rethinking of the Asian American elite many of whom have attained top positions in business government academia sciences and the arts this book will be certain to generate a good deal of controversy and honest discussion regarding the role Asian Americans will play in the new century as China and India loom ever larger in the world economic system Not since the large scale infusion of scientists and engineers fleeing Nazi Germany has there been such a mass importation of intellectual labor from U S client states in Asia One of the specialized tasks assigned to this group is to build the technetronic infrastructure for the new world order command and control system Servitors of Empire is not intended to fan the flames of suspicion and paranoia aimed at Asian Americans but serves to illuminate the way in which highly trained knowledge workers are being employed to bring sovereign nations such as the United States under centralized rule made possible through advances in bioscience IT engineering and global finance **STAYING HUMAN** K. L. Stubblefield,2023-11-16 Staying Human Within this writing we

discuss America's and particularly Black America's slide into decadence depravity and despair and how this will lead to its subjugation to the coming tyranny of Artificial intelligence If we look with an open mind we can see how technology has already led to the breaking down of morality and open rebellion against Godly principles that while not totally adhered to by this nation has been a hedge against all out wickedness Our attempt to at least guide our behavior with the precepts of holiness and godliness has allowed the American nation to receive blessings of wealth and freedom from the Most high That is now changing and God is slowly removing his protection from our nation America's power and influence whether for good or evil was given to us by God It is He who sets up nations and it is He who brings about their fall What is happening to the United States today has happened before with many other kingdoms There is no new thing under the sun Nor was there any respect of persons given from The Most High This nation will and is currently feeling the pains of all the other nations that has fallen before it And just like all the other kingdoms that fell such as Rome Greece Egypt and Babylon America's blind adherence to self promotion and narcissistic hubris has blurred her vision of her plight America is now a weak nation a nation that is living on so called past greatness Militarily America relies on enormous deficit spending on technology and advanced weaponry in order to maintain its power and influence worldwide Yet when engaged in actual combat with weaker nations America still suffers a bloody nose and a black eye Vietnam Somalia Iraq and Afghanistan are modern examples of America's inability to win wars outright These wars and excursions drain the coffers of this nation and force it into deficit spending in order to maintain the false illusion of wealth and power The scepter has been removed from America's hand The royal diadem no longer sits above her brow Yet she does not perceive its removal The once so called democratic form of government in America has now morphed into a technocratic corporate oligarchy The gap between rich and poor is now wider here than in any industrialized nation in the world This leads to those in power creating a culture to maintain their wealth and prevent uprising from the masses This will lead to the use of technological advances such as A I in order to quell any potential rebellions America your once proud land has become a nation of fornicators whiners complainers abusers murderers and politically corrupt parasites America's plight can be summed up in one Phrase ICHABOD THE GLORY OF THE LORD HAS DEPARTED      Behind the Green Mask Rosa Koire,2011 If you've been wanting an interesting clearly written how to manual for identifying and fighting UN Agenda 21 here it is Agenda 21 All the information you need to understand what is happening in your town why it's happening who is behind it and what you can do to stop it BEHIND THE GREEN MASK U N Agenda 21 is 172 pages of truth Part history part current events part hand to hand combat and part blueprint for keeping your freedom this is one book that you'll put to work immediately Boots on the ground and all hands on deck is the order of the day Awareness is the first step in the Resistance      **Mass Awakening** Shoshi Herscu,2018-10-08 The Truth has been hidden from us while a global policy of mass depopulation and exploitation has been carried out behind the scenes for the past half century The author an independent journalist became aware of this agenda only in the past few years She found

it hard to believe but in depth research and the testimony of whistleblowers worldwide have exposed these strategies They include geoengineering chemtrails fluoridation of water supplies GMOs vaccinations false flag terrorist attacks and economic warfare by the group David Wilcock calls the Cabal However despite this grim reality a positive shift of mass awakening is occurring worldwide Tribunals are being established to prosecute elite offenders revelations of hidden technology like free energy and new economic models are being put forth The author shows how humanity is claiming its rightful heritage as spiritual beings and charts the course of our elevation of consciousness MASS AWAKENING gives us all real hope for an amazing future Mass Awakening is Shoshi Herscu s well researched and yet profoundly personal handling of intensely shocking material rarely covered in print It is both a true inspiration and a much needed breath of fresh air Ada Tourtsakis PrepareForChangeLeadership org

**Virtually Lost** Garry Robson,2023-05-16 This book examines the connections between the psycho social difficulties and challenges faced by children and younger people in their online lives the structure character and motivations of the corporate system behind the screen and the possibility that the digital technostructure may come to form the backbone of a new post democratic system of technocratic governance Much of the originality of this book lies in its blending of subjects that are not often combined thereby offering a fresh perspective generation studies the philosophy of technology the history of the idea of technocracy the technologically enhanced merger of corporate governmental power in the U S system the society shaping goals and capabilities of the big tax exempt American foundations over the last hundred years the elite superclass gaming of formally constituted transnational and global institutions and the way the United Nations centred SDG ESG system is itself developing in the direction of a technocratic system of economic and population management The book will appeal to readers interested in relationships between our contemporary global power elite the structures it has created and processes it has set in motion and how these affect young people whose development is already being over determined by the activities of the big Silicon Valley entities and their associates L'illusion de la réalité, on se fait tous rouler !
