Spiritual Warfare Sara Diamond, 1990

Not A Novice Dag Heward-Mills, 2023-01-06 A novice is new to something he is a beginner God is not someone newly appointed or newly created There is nothing about God that makes Him new He is the beginning God has existed for all time He is the Lord God Almighty the everlasting Lord We are the ones who are likely to be novices We are the ones making new discoveries every day A novice is open to many dangers like pride It is the pride of a novice that causes him to lift himself up against authorities that have been established for years Lucifer was a novice who was condemned because of his pride He fell into the condemnation of the devil Lucifer's greatest mistake was that he did not have a proper estimate of himself in relation to God Through these thought provoking chapters may you take the teachings on the pride of a novice with all seriousness lest you live to fulfill every single point in this book to your own undoing and condemnation Be delivered from every danger of a novice

Exorcism and Deliverance Ministry in the Twentieth Century James Michael Collins, 2009 This study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilising Knox's classic study of Christian enthusiasm The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century Two enthusiastic settings Charismatic and Evangelical Fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practised Finally enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams that underlie the development of this rite As a result

important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries The study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non Western churches James Collins is currently the pastor of Redhill Baptist Church having previously served congregations in Gold Hill Chalfont St Peter and Morden Park He holds degrees in Information Management and Theology and a doctorate from London School of Theology and has lectured in Church History and the Sociology of Religion at the London School of Theology He is married to Naomi and has two children Katie and Michael and avidly supports Watford Football Club

Intercession James W. Goll, 2011-07-28 The words of the intercessor are a power force for healing the wounds of the past and shaping the course of history This book will help the intercessor release those words into the heavens and bring down God's will on earth Goll shifts the focus of intercession away from the typical shot gun approach of praying for the whole world in a single prayer At the same time he impressively portrays how you can focus your prayer on what God desires as opposed to what you need
