John J. Macionis

Benokraitis Soc 3rd Ed:

Human Behavior and the Larger Social Environment, Third Edition Miriam McNown Johnson, Rita Rhodes, 2015-06-15
From schools to the military and from class structure to cultural diversity all individuals function within complex social systems that shape them and are in turn shaped by them This text introduces students to these broader social contexts within which human behavior occurs and how a community's social settings may promote or deter people in maintaining or achieving personal health and well being Johnson and Rhodes use seven basic theoretical perspectives as the frameworks to explore how clients are impacted by social institutions and social structures Keeping up to date with emerging societal trends and changing environmental contexts is important and Human Behavior and the Larger Social Environment provides readers with the tools necessary to use their knowledge to provide appropriate interventions at all levels of practice as well as promote social and economic justice This book offers complex concepts in a simple format allowing students to analyze the relationship between individuals and various systems and better retain and apply their knowledge as they prepare to engage with clients and client systems

Social Work in India Bishnu Mohan Dash, Mithilesh Kumar, Siddheshwar Shukla, 2020-01-01 The present book is an attempt to decolonize the colonial legacy and professional imperialism in Social Work Education and has presented various Swadeshi indigenous perspectives and approaches relevant for social work education The book has tried to incorporate the significant contributions and developmental models propounded by the great Indian thinkers particularly Swami Vivekananda Dr Bhim Rao Ambedkar Mahatma Gandhi Vinoba Bhave and Nanaji Deshmukh which is highly relevant in the reconstruction of Indian Society The book will be extremely relevant for the students of social work sociology rural development development studies and allied social science disciplines at Bachelors and Masters level

The African Perspective of Sexual Orientation and Gender Identity in Higher Education Mfundu Mandla Masuku, Mbongeni Shadrack Sithole, 2025-05-23 This book uses a deconstruction context to highlight the challenges faced by the LGBTQIA communities in African Higher Education The discursive approach adopted in the book is critical in enabling the editors and their authors space to articulate the subtle problematic and context sensitive issues that drive exclusionary and unequal practices that students face in campus life The book goes on to present an advanced argument for integrating African epistemologies such as Ubuntu with social justice frameworks to foster cultural competence and diversity in higher education

Social Issues in Living Color Arthur W. Blume, 2017-02-16 Offering fresh and exciting approaches to solving global problems this book creatively views challenging social issues through the lens of racial and ethnic psychology As the demographic makeup of the American population continues to evolve understanding and addressing the psychological needs of ethnic minorities in the United States becomes more important to the overall health and well being of society This three volume set is the first publication to explicitly tackle social issues from the perspective of racial and ethnic psychology It uniquely presents racial and ethnic psychological perspectives on topics such as media criminal justice racism

climate change gender bias and health and mental health disparities Volume one introduces readers to the basic scientific concepts of racial and ethnic minority psychology and then examines the intersectionality of race ethnicity gender and sexual orientation It also addresses how race and ethnicity affect communication styles leadership styles and media The second volume discusses the experiences of individuals within racial and ethnic minorities including overt racism covert racism and colonialism and addresses how ethnic minority psychology plays a role in our educational system poverty global climate change and sustainability The third volume covers ethics in health and research considers the causes of health and mental health disparities and identifies diversity initiatives that can improve the health and well being of all citizens not just racial and ethnic minority citizens

Our Social World Jeanne H. Ballantine, Keith A. Roberts, 2011-10-26 In this brief text two leaders of the Teaching Sociology movement encourage students development of their sociological imaginations through role taking Assuming the role of a child living in poverty in India or of a member of an African tribe students learn to re envision their global society An innovative integrated framework provides core sociological concepts while features such as Contributing to Our Social World enable students to do public sociology Our Social World Condensed Version presents the perspective of students living in the larger global world

Self-Help Support Groups For Older Women Lenard W. Kaye, 2022-01-26 This work is based upon a research study whose purpose was to collect new information about the special benefits and drawbacks of formal organizations efforts at social network building for older women In it a two tiered investigation was carried out a national review of a select group of model self help support programmes for older women throughout the United States and an in depth community case study of a nationally recognized model program of self help support groups leadership training networking and community outreach education for older women It provides the research oriented reader with scientific evidence to assess the relative efficacy of self help group programming

Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 Society in Focus An Introduction to Sociology Ninth Edition emphasizes how society and social forces affect everything from globalization and international policies to day to day activities in our personal lives In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts To focus increased attention on sociological thinking and research methods they have chosen four key themes media and technology globalization cultural diversity and trends for the future Because sociology is about all of us and our daily lives it is an eminently practical and useful discipline for understanding our social world This Ninth Edition Includes specific student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new

photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories

Dimensions of Human Behavior Elizabeth D. Hutchison, 2003-04-17 *Dimensions of Human Behavior* Person and Environment Second Edition presents the time honored person in environment approach to understanding human behavior It provides a multi theoretical analysis to help students recognize the dimensions of person and environment involved in behavior Like the First Edition the general approach of weaving powerful case studies with theory and research has been maintained but all chapters have been updated to reflect recent census data emerging social trends and new developments in theory and research This edition also pays greater attention to human diversity

Psychology of Prejudice and Discrimination Mary E. Kite, Bernard E. Whitley, Jr., Lisa S. Wagner, 2022-07-25 *Psychology of Prejudice and Discrimination* provides a comprehensive and compelling overview of what psychological theory and research have to say about the nature causes and reduction of prejudice and discrimination It balances a detailed discussion of theories and selected research with applied examples that ensure the material is relevant to students This edition has been thoroughly revised and updated and addresses several interlocking themes It first looks at the nature of prejudice and discrimination followed by a discussion of research methods Next come the psychological underpinnings of prejudice the nature of stereotypes the conditions under which stereotypes influence responses to other people contemporary theories of prejudice and how individuals values and belief systems are related to prejudice Explored next are the development of prejudice in children and the social context of prejudice The theme of discrimination is developed via discussions of the nature of discrimination the experience of discrimination and specific forms of discrimination including gender gender identity sexual orientation age ability and appearance The concluding theme is the reduction of prejudice The book is accompanied by a comprehensive website featuring an Instructor Manual that contains activities and tools to help with teaching a prejudice and discrimination course PowerPoint slides for every chapter and a Test Bank with short answer and multiple choice exam questions for every chapter This book is an essential companion for all students of prejudice and discrimination including those in psychology education social work business communication studies ethnic studies and other disciplines In addition to courses on prejudice and discrimination this book will also appeal to those studying racism and diversity

Families Alex Liazos, 2015-12-03 Unlike other family textbooks that mostly emphasize conflicts and problems this book also features the joys and pleasures of family living and its mutually nourishing qualities Its perspective reflects polls surveys and student essays indicating that most people value their families Families everywhere provide love support and sustenance to their members but they do so in many different arrangements Understanding the wide variety of families historically and across cultures gives the student a better basis for understanding how families change and a better grasp of more controversial changes such as the gradual acceptance by Westerners of same sex marriage and child rearing by single people Liazos offers two poignant chapters not found in other texts Family Living Chapter Six focuses on the social value of caregiving and family

meals Kin and Community Chapter Seven focuses on relationships among kin and the larger community

Our Social World Dr Jeanne H Ballantine, Keith A. Roberts, 2011-04-25 The Third Edition of Our Social World Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos

Schools and Society Jeanne H. Ballantine, Joan Z. Spade, 2011-04-04 Offering a wide array of theoretical perspectives and methods a broad range of resources and both classic and contemporary studies this fully updated Fourth Edition uses the open systems approach to provide readers with a framework for understanding and analyzing the book's disparate topics Edited by Jeanne H Ballantine and Joan Z Spade both of whom actively teach Sociology of Education courses this text includes dozens of readable articles that illustrate major concepts and theoretical perspectives in the field

The Cuban Family Rosemarie Skaine, 2015-01-24 This work explores how relationships of blood marriage sex and residence work in each type of Cuban family particularly as it is affected by Cuba's struggle to transform its economy It also examines historical perspectives on the contemporary Cuban family ethnicity and race marriage the extended family family rights the emigrating family United States citizenship issues religion and the Cuban American family Tables list such details as population numbers age life expectancy growth birth and death rates immigration and mortality rates HIV rates and literacy The book also includes narratives of childhood memories from pre revolutionary Cuba to the late 20th century providing fresh insights into the cultural value attached to the family

Career Strategies for Women in Academia Lynn H. Collins, Joan C. Chrisler, Kathryn Quina, 1998-07-23 Making one's way through the minefields that are found in the academic professions is difficult for anyone but the issues encountered by women in academe are pervasive and require specific strategies In this new volume editors Lynn H Collins Joan C Chrisler and Kathryn Quina provide a wealth of information about institutional pitfalls in higher education professions advice on how to handle difficult situations and encouragement to those who persevere in their pursuit of an academic career The book first considers the current state of women in higher education and then turns to an examination of women's roles in academe

Next a section on assuming leadership in higher education provides insights and advice on breaking the glass ceiling A final section looks at how to take charge of one s self and one s career Full of personal accounts including success stories and cautionary tales Career Strategies for Women Academics is a must own for women looking for success in academia

Campus Student Activism, Politics, and Citizenship in the 21st Century Tshishonga, Ndwakhulu,2025-04-03 Student activism and citizenship remain an integral part of the governance of academic institutions democratizing the learning environment and advancing democratic values and societal change As a result student activism has become a key aspect of the global higher education landscape Individually and through the student councils students have been at the forefront fighting for social justice and equality inside their academic institutions and in larger society by fusing activism with citizenship Through student activism and citizenship students demonstrate their power to keep governments responsible and in redirecting the voices of students in higher education s decision making processes Further exploration may afford students the opportunity to influence social change by partaking in educational policy reforms and broadening global sociopolitical and economic growth Campus Student Activism Politics and Citizenship in the 21st Century examines the dynamics of campus politics through student activism and citizenship perspectives academia public private and civil society sectors It explores how student leadership engages university society stakeholders including management and governance structures and student welfare and institutional policy reformation in defense of the rights and interests of students This book covers topics such as higher education political engagement and social justice and is a useful resource for policymakers government officials sociologists political scientists academicians and researchers **Handbook of Prejudice, Stereotyping, and**

Discrimination Todd D. Nelson,2009-02-17 This Handbook provides a uniquely comprehensive and scholarly overview of the latest research on prejudice stereotyping and discrimination All chapters are written by eminent prejudice researchers who explore key topics by presenting an overview of current research and where appropriate developing new theory models or scales The volume is clearly structured with a broad section on cognitive affective and neurological processes followed by chapters on some of the main target groups of prejudice based on race sex age sexual orientation and weight A concluding section explores the issues involved in reducing prejudice Chapters on the history of research in prejudice and future directions round off this state of the art Handbook The volume will provide an essential resource for students instructors and researchers in social and personality psychology and also be an invaluable reference for academics and professionals in the fields of sociology communication studies gerontology nursing medicine as well as government and policymakers and social service agencies **Race and Family** Roberta L. Coles,2016-01-07 The second edition of Race and Family maintains the book s distinctive feature introducing students to key concepts through a structural lens while featuring new material throughout Race and Family focuses on structural factors impacting all families such as demographic economic and historic trends which illuminate the similarities and distinctions among and within racial and ethnic groups After introductions to the

study of race ethnicity and the family the book explores various issues such as family structure divorce non marital births gender roles racial identity formation intergenerational roles grandparenting care of elders and more The book offers specific chapters on racial ethnic groups including African American Asian American Latino American Middle Eastern American and Native American while also discussing white families multiracial families the acculturation process and more Key updates to the second edition include recent census and survey data a new chapter on Middle Eastern Americans new material on multiracial and multicultural families updated resources and more The second edition of Race and Family is a comprehensive introduction to race and family through a distinctive structural lens The book provides structural factors cross cultural perspectives and historical overviews that students can use to analyze the whys and ways of family across races and ethnicities A complimentary test bank is available to adopters as a Word document or via the free program Respondus Email textbooks rowman com for further details **Sex and Society** Marshall Cavendish Corporation,2010-09

Moving beyond a partial view of only biology and psychology this work also examines the wide sociological dimensions of sex

Social Problems John J. Macionis,2005 Macionis s Social Problems is the only social problems text that explains how society frames social problems and solutions through politics The text analyzes social issues and policies using the concepts of sociological theory and the everyday language of politics This text helps students understand the attitudes and values that define the political spectrum in the United States Once students know how social problems are defined by our society through politics and how the policies to solve these problems are developed students are able to become involved in solving social problems through activism and political involvement Our Social World: Condensed Jeanne H. Ballantine,Keith A.

Roberts,Kathleen Odell Korgen,2019-07-09 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Our Social World Condensed inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis The award winning author team organizes the text around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level The use of the Social World Model across chapters represented in a visual diagram in the chapter openers helps students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects The Condensed version is adapted from Our Social World Introduction to Sociology The Sixth Edition of the Condensed version is made approximately 30% shorter than the full edition by removing selected boxes editing the main narrative and combining four chapters into two Family Education and Politics Economics A Complete Teaching Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video tools and resources boost comprehension and bolster analysis Learn more Interactive eBook Includes access to SAGE Premium
