The Rise of the Graphic Novel Alexander Dunst, 2023-07-20 Using digital methods this book traces the emergence of the graphic novel at the intersection of popular and literary culture

The Secret Game Scott Ellsworth, 2015-03-10 Winner of the 2016 PEN ESPN Award for Literary Sports Writing The true story of the game that never should have happened and of a nation on the brink of monumental change In the fall of 1943 at the little known North Carolina College for Negroes Coach John McLendon was on the verge of changing basketball forever A protégé of James Naismith the game's inventor McLendon taught his team to play the full court press and run a fast break that no one could catch His Eagles would become the highest scoring college team in America a basketball juggernaut that shattered its opponents by as many as sixty points per game Yet his players faced danger whenever they traveled backcountry roads Across town at Duke University the best basketball squad on campus wasn't the Blue Devils but an all white military team from the Duke medical school Composed of former college stars from across the country the team dismantled everyone they faced including the Duke varsity They were prepared to take on anyone until an audacious invitation arrived one that was years ahead of anything the South had ever seen before What happened next wasn't on anyone's schedule Based on years of research *The Secret Game* is a story of courage and determination and of an incredible long buried moment in the nation's sporting past The riveting true account of a remarkable season it is the story of how a group of forgotten college basketball players aided by a pair of refugees from Nazi Germany and a group of daring student activists not only blazed a trail for a new kind of America but helped create one of the most meaningful moments in basketball history

Documentary Comics Nina Mickwitz, 2016-04-29 Can comics be documentary and can documentary take the form of and thus be comics Examining comics as documentary this book challenges the persistent assumption that ties documentary to recording technologies and instead engages an understanding of the category in terms of narrative performativity and witnessing Through a cluster of early twenty first century comics Nina Mickwitz argues that these comics share a documentary ambition to visually narrate and represent aspects and events of the real world
