Bible Faith Study Course Kenneth E. Hagin, 1974 *Prosperity Gospel?* Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought **Renewal Theology** J. Rodman Williams, 2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes Renewal Theology represents the first exhaustive balanced articulation of charismatic theology Renewal Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God *A Different Gospel* Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson Next Level Leadership Training: Volume One Rick Johnston, 2015-04-29 Every local church requires leaders Many believers are given responsibility to lead but fail to sustain their leadership Developing the people who lead is essential to building strong churches and demonstrating the kingdom message to those who do not know Christ The nonpublic lifestyle of a leader is what vitally supports the public expression of his or her grace Jesus said Follow me and I will make you fishers of men Those three simple phrases are the essence of Rick Johnston s Next Level Leadership Training Johnston provides a syllabus for training such leaders Bible saturated lessons are the foundation of teaching Classroom interaction tips external resource suggestions and life implementation steps given at the end of each lesson provide the opportunity to increase in grace Theological foundations relationship building assignments and miracle demonstrations defined in this text provide a wide ranging training course for every local church N *Bold Faith* Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the

controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into

cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas Sir Ellis Clarke Timothy

Seigler,2023-06-12 Dr Seigler has done a highly commendable job in producing a detailed biography on the life of Sir Ellis Clarke His work Sir Ellis Clarke A Royal Son of the Soil is insightful thought provoking and written in a reader friendly style Dr Lawrence Rossow Former Dean University of Houston Victoria Sir Ellis Clarke A Royal Son of the Soil is an eloquent biography that introduces Americans to the life of Sir Ellis Clarke a modern day Founding Father of Trinidad and Tobago Readers in the United States and around the world will be the likely beneficiaries of Dr Seigler s insight into how Sir Ellis struggle to devise a workable constitution for his own nation might illuminate the constitutional jurisprudence of the United States Dr Harvey Hinton Former Assistant professor of Social Studies at North Carolina Central University *The Art of My Life* Joe Pearce,2020-01-06 Award winning fine artist Joe Pearce brings wisdom humor and creative perspective to the trials tribulations and party that is life After growing up in the drug culture of the 70 s Joe Pearce turned to a fundamentalist church for personal redemption He felt called to become a traveling evangelist and musical artist which is how he met his wife Joe eventually transitioned away from that belief system to become part of corporate America Joe was working a job in financial services 20 years into marriage when his wife developed severe schizophrenia The Art of My Life explores Joe s struggles with care taking for and coping with his wife s illness Joe tells a raw blatantly honest narrative of his unique life experiences while weaving in themes of his and other s art with the hopes of helping people find their passion along their own unique paths The New Pentecostal Message? Lewis Brogdon,2015-06-22 The prosperity movement has influenced millions of people in North America Asia Europe South America and Africa through Pentecostal Charismatic and nondenominational preachers in some of the largest churches in the world CNN ABC and Time magazine have examined the preachers and churches in this popular and controversial movement Scholars and church leaders have studied it for more than two decades producing dozens of books and articles on it Considering the widespread popularity of the prosperity movement and the attention it is given by its critics Brogdon asks Is prosperity preaching the new Pentecostal message In order to answer this question one has to examine the prosperity movement as a Pentecostal movement instead of a Word of Faith movement that is a revised form of New Thought metaphysics and Science of Mind Brogdon provides an introduction to the prosperity movement as a Pentecostal movement He asks important questions in the study of the prosperity movement such as who popularized prosperity teaching Oral Roberts or Ken Hagin Do all Pentecostals agree with the prosperity doctrine Is prosperity teaching good news to the poor Has prosperity replaced the emphasis on the Holy Spirit The answers may surprise you Religious Studies in Alberta Ronald Neufeldt,2006-01-01 This first volume on the state of the art in religious studies in Canada offers a description and critique of the field in the colleges universities and secondary schools in Alberta Among the findings philosophical theological and textual approaches to the study of religion predominate to the

relative neglect of methodologies employed in fields such as sociology and anthropology the quality and quantity of published research is significant but focusses on Christian studies some interdisciplinary study is being carried on and benefits religious studies as well as other fields religious studies scholars in Alberta have a relatively high public profile but their exercise of public responsibility is time consuming and can jeopardize career advancement in view of wide spread religious illiteracy among students descriptive courses must not be neglected in favour of analytical ones An appendix listing courses offered in the schools surveyed concludes the volume

J. Rushdoony, 2012-10-17 The Christian School represents a break with humanistic education but too often in leaving the state school the Christian educator has carried the state's humanism with him A curriculum is not neutral it is either a course in humanism or training in a God centered faith and life The liberal arts curriculum means literally that course which trains students in the arts of freedom This raises the key question is freedom in and of man or Christ The Christian art of freedom that is the Christian liberal arts curriculum is emphatically not the same as the humanistic one It is urgently necessary for Christian educators to rethink the meaning and nature of the curriculum It should be clear then that whether history science mathematics grammar literature ecology civic duty or law every aspect of curriculum must be reconstructed along Biblical lines The overall objective is for Christian families to prepare and equip themselves for service in the Kingdom of God and this cannot be done without a rethinking of the philosophy of the Christian curriculum In this study Rousas John Rushdoony develops the philosophy of the Christian curriculum It is the pioneering study in this field and it is important reading for all Christian educators Metaphors We Teach By Ken Badley, Harro Walter Van Brummelen, 2012-06-01 Metaphors We Teach By helps teachers reflect on how the metaphors they use to think about education shape what happens in their classrooms and in their schools Teaching and learning will differ in classrooms whose teachers think of students as plants to be nurtured from those who consider them as clay to be molded Students will be

assessed differently if teachers think of assessment as a blessing and as justice instead of as measurement This volume examines dozens of such metaphors related to teaching and teachers learning and learners curriculum assessment gender and matters of spirituality and faith The book challenges teachers to embrace metaphors that fit their worldview and will improve teaching and learning in their classrooms **One God One People** Sadhu. C. Selvaraj (Aiya), *Cultural Issues: Creation/Evolution and the Bible (Teacher Guide)* Ken Ham,2016-09-06 The vital resource for grading all assignments from the Cultural Issues Creation Evolution and the Bible course which includes Learning answers information and strategies when facing destructive influences found in the workplace or school environmentsStudying fossils the age of the earth the beginning of life and more in these two volumes focused on points of contention related to the Bible faith and science OVERVIEW This curriculum has been put together to provide the answers to many common objections to biblical worldviews and scriptural authority of the Bible Practical tests are included to strengthen the student s grasp of key concepts and terms while providing critical thinking opportunities to put their knowledge to work Students will learn to apply the Biblical worldview to subjects such as evolution carbon dating Noah s ark and the Flood and dozens more They will discover answers to help know the depths of God s wisdom found in His Word and in His world and why this matters to your life your family and your faith FEATURES The calendar provides lesson planning with clear objectives and the worksheets and tests are all based on the materials provided for the course *How to Live Worry-Free* Kenneth Hagin, Jr.,Kenneth W.
