Michael Houdmann,2014-04-24 Everyone has questions Young children ask why Teenagers ask why not Adults sometimes lament what if The God who created us and who loves us has given us the answers to life s most pressing questions in His Word Yet many people have no idea that God has the answers and has made them available in the Bible Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship you can be sure it has been asked and answered already on www GotQuestions org the source for this book Sadly many individuals and ministries who offer advice are not biblically and theologically solid That s why Got Questions is crucially needed a resource that answers questions explicitly from a biblical perspective with solid evangelical theology Written in an easy to understand format and organized in easy to follow sections Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible The articles in this volume are compiled from the more than 3 800 frequently asked questions on our website which are read over 7 million times each month Some of the articles have been translated into 150 languages Many

books present teaching in a question and answer format but few have delved into the questions that people are actually asking Having received and answered more than 380 000 questions Got Questions Ministries has a unique understanding of what questions are truly on people s minds Understanding The Anatomy of Evil William Nitardy,2016-04-14 The book examines the anatomy of evil in the realm of ideological and philosophical beliefs This includes politics culture religion science and law It attempts to answer many questions by giving the reader a better understanding of all aspects of evil including stealth evils that are not even on our radar Although the author uses many scriptural verses to support the book s thesis it does not simply rely on scripture but relies on probability science and rationale to draw conclusions while showing consistency with and support of scripture Although the author is convinced that the bible is the infallible Word of God and believes in biblical Christianity he is very critical of denominational Christianity and other religions including pseudo science and other religions that masquerade as secular entities He believes that the rapid and virtually complete secularization of our society has only been possible because of the many false foundations that have been established and accepted as fact when they are completely false and destructive Those false foundations justify and support many evils that have been and are being promoted in America The book discusses the situation in which America finds itself where we are being destroyed and are near the point of no return The book addresses the current political situation and the upcoming presidential election The final chapter of the book is to encourage skeptics to believe the truth of the bible through rational evidence Although this book should connect well with Christians it is hoped that the rational approach taken would attract atheists agnostics and skeptics as well as pastors and religious leaders Pastors and religious leaders are encouraged to teach the full council of God by relating scriptural principles to our evil culture and even go so far as to attack the false foundations that are making the gospel irrelevant or addressing the contaminated soil that prevents the gospel seeds from germinating
