Culture Specific Items in Chinese to English Video Game Translation Dariush Robertson,2025-05-13 Culture Specific Items in Chinese to English Video Game Translation aims to investigate the Chinese to English translation of culture specific items CSIs in the localisation of a wuxia role playing game RPG This monograph provides groundbreaking insight into authentic practice and analyses a case study with theories from both translation studies and sociology to address questions such as how linguists translate CSIs why they use certain approaches and what is revealed when both the translation behaviour and the reasons underpinning their practice are considered in context This book will be primarily of interest to

scholars in the fields of translation studies localisation video game translation and Chinese to English translation It will also be of interest to a wider range of scholars interested in China video games and the application of social theory
